

# PACKRAT®

## TOPIC LIST

### CARDIOLOGY

Arrhythmias/conduction disorders	Ischemic heart disease
Bacterial infections	Angina pectoris
Cardiomyopathy	Myocardial infarction
Pericarditis	Other ischemic heart disease
Congenital heart disease	Symptoms referable to the cardiovascular system
Congestive heart failure	Dyspnea
Hypertension	Murmurs
Essential	Palpitations
Malignant	Vascular disease
Secondary	Aortic aneurysm
III-defined presentations	Arterial embolism
Chest pain	Atherosclerosis
Edema	Peripheral vascular disease
Infectious heart disease	Phlebitis/thrombophlebitis
Endocarditis/viral myocarditis	Varicose veins
Rheumatic fever/myocardial tissue- and valve-related	Venous embolism/thrombosis

## PULMONOLOGY

Bacterial infections

Chronic obstructive pulmonary disease

Chronic airway obstruction

Chronic bronchitis

Obstructive chronic bronchitis

Other emphysema

Ill-defined presentations

Allergy

Lower respiratory infections

Acute bronchiolitis

Acute bronchitis

Croup

Influenza

Pneumonias

Pulmonary tuberculosis

Lung disease due to external agents

Pneumoconioses due to silica/asbestos

Neoplasms

Symptoms referable to the pulmonary system

Cough

Dyspnea

Stridor

Viral infections

Wounds/injuries of the pulmonary system

Foreign body in trachea

Internal injury of chest

Traumatic pneumothorax

Other diseases of the respiratory system

Asthma

Non-sexually transmitted diseases  
chlamydial

Pleural (effusion, no effusion)

Pneumothorax

Pulmonary embolism and infarction

Respiratory distress syndrome

Sarcoidosis

## GASTROINTESTINAL/NUTRITIONAL

Bacterial infections	Disorders of the stomach
Disorders of the esophagus	Disorders of the stomach
Esophagitis	Duodenal ulcer
Gastroesophageal reflux disease	Gastric ulcer
Neoplasms	Gastritis/duodenitis
Other diseases of the esophagus	Neoplasms
Disorders of the gallbladder	Feeding or eating disorders
Cholecystitis	Anorexia nervosa
Cholelithiasis	Bulimia
Disorders of the liver	Obesity
Cirrhosis	Ill-defined presentations
Hepatitis	Abdominal mass
Hepatoma	Abdominal pain
Other diseases of the liver	Reye syndrome
Disorders of the pancreas	Manifestations of the digestive system
Diseases of the pancreas	Ascites
Neoplasms	Dyspepsia
Disorders of the rectum	Dysphagia
Abscess of anal and rectal regions	Gastrointestinal hemorrhage
Anal fissure	Hepatomegaly
Hemorrhoids	Nutritional deficiencies
Neoplasms	Avitaminosis
Pilonidal cyst without abscess	Symptoms referable to nutritional disorders
Other diseases of the rectum	Weight fluctuation
Disorders of the small intestine/colon	Toxic effects of other substances
Appendicitis	Adverse effects of medicines
Constipation	Drug overdose
Diverticulitis	Viral infections
Enteric infection	Wounds/injuries
Inflammatory bowel disease	Swallowed foreign body
Intestinal obstruction	Internal injury of the abdomen
Irritable bowel syndrome	Other diseases of the digestive system
Ischemic bowel disease	Congenital anomalies
Neoplasms	Hernias
Peritonitis	Neoplasms
Other diseases of intestines	
Other noninfectious gastroenteritis	

## ORTHOPEDICS/RHEUMATOLOGY

Bacterial infections	Osteoarthritis and arthropathies
Contusions	Osteoporosis
Various contusions (head, trunk, limbs)	Pathologic fracture
Disorders of back/spine	Rheumatoid condition
Back sprain	Rheumatoid arthritis
Contusion of back	Various collagen disorders
Kyphoscoliosis/scoliosis	Other nonarthritic rheumatism
Spinal stenosis	Other diseases/disorders of the
Spondylosis	musculoskeletal system
Fractures/dislocations	Carpal tunnel syndrome
Closed fracture of hand phalanges	Lyme disease
Dislocations/separations	Rotator cuff syndrome
Fracture of neck femur	Temporomandibular joint disorders
Fracture of vertebral column	Various sprains/strains
Various fractures (foot, leg, arm)	
Minor/acute musculoskeletal problems	
Acute and chronic osteomyelitis	
Arthralgia	
Bursitis	
Developmental problems	
Effusion of joint	
Ganglion/cyst of synovium/ tendon/bursa	
Myalgia/myositis	
Pain in limb	
Synovitis/tenosynovitis	
Other diseases of muscles/ ligaments/fascia	
Other disorders of bone and cartilage	

## ENT/OPHTHALMOLOGY

Bacterial infections

Disorders of the ear

Hearing impairment

Impacted cerumen

Otitis externa

Otitis media

Vertigo

Other diseases of the ear/mastoid

Disorders of the eye

Blunt and penetrating trauma

Blurred vision

Cataract

Conjunctivitis

Decreased visual acuity

Diabetic retinopathy

Diseases of globe

Disorders of the optic nerve/  
visual path

Glaucoma

Hypertensive retinopathy

Retinal detachment/puncture

Strabismus

Disorders of the nose/oral  
cavity/sinuses/throat

Acute sinusitis

Allergic rhinitis

Chronic sinusitis

Epiglottitis

Epistaxis

Upper respiratory infection

Herpes simplex

Neoplasms

Viral infections

Wounds/injuries of ear/nose/oral  
cavity/throat

Epistaxis

Foreign body in ear/nose/  
oral cavity/throat

Wounds/injuries of the eye

Cranial or ocular injuries

Eye burn

Foreign body in eye

## OBSTETRICS/GYNECOLOGY

### Bacterial infections

- Sexually transmitted diseases

### Complicated pregnancy

- Abruptio placenta
- Adolescent pregnancy
- Central nervous system malformation in fetus
- Eclampsia
- Ectopic pregnancy
- Incompetent cervix
- Induced abortion
- Infection of genitourinary tract
- Multiple fetuses
- Placenta previa
- Preeclampsia
- Rh incompatibility
- Septic abortion
- Spontaneous abortion
- Trisomy
- Unspecified antepartum hemorrhage
- Other infections complicating pregnancy

### Diseases/disorders of the male/female reproductive system

- Disorders of the pelvic organs
- Infertility
- Pelvic inflammatory disease

### Disorders of the breast

- Inflammatory diseases
- Neoplasms
- Other breast-related problems

### Disorders of the cervix

- Abnormal Papanicolaou smear
- Cervicitis
- Dysplasia of cervix
- Endocervicitis
- Neoplasms

### Disorders of the ovary

- Neoplasms
- Ovarian cysts

### Disorders of the uterus

- Leiomyoma of uterus
- Neoplasms
- Other disorders of the uterus

### Menopause

### Menstrual

- Dysmenorrhea
- Premenstrual syndrome
- Other disorders of menstruation

### Uncomplicated pregnancy

- Normal labor and delivery
- Routine prenatal care

### Vagina/vulva

- Candidiasis of vulva/vagina
- Neoplasms
- Prolapse of vaginal walls
- Vaginitis
- Vulvovaginitis

### Viral infections

## ENDOCRINOLOGY

Diabetes mellitus

Complications of diabetes

Hypoglycemia

Specified manifestation

Diseases of the thyroid gland

Hyperthyroidism

Hypothyroidism

Neoplasms

Parathyroid disease

Disorders of the adrenal gland

Other endocrine diseases

Electrolyte disorders

Gout

Hyperlipidemia

## NEUROLOGY

Bacterial infections

Central nervous system trauma

Degenerative

Alzheimer disease

Multiple sclerosis

Parkinson disease

Diseases of peripheral nerves

Neuralgia/neuritis

Neuropathies

Diseases of the central nervous system

Rabies

Epilepsy

Ill-defined presentations

Dizziness

Giddiness

Headache

Malaise and fatigue

Neurodevelopmental disorders

Sleep disturbances

Syncope

Infectious diseases

Brain abscess

Meningitis

Migraine

Neoplasms

Neurodevelopmental disorders

Reye syndrome

Vascular diseases

Cerebral vascular accident

Seizure

Transient cerebral ischemic attack

Viral infections

## PSYCHIATRY/BEHAVIORAL MEDICINE

### Anxiety disorders

- Generalized anxiety disorder
- Panic disorder
- Phobic disorders
- Posttraumatic stress disorder

### Conditions referable to behavioral medicine

- Child/elder neglect/violence
- Rape/crisis adjustment
- Spouse or partner neglect/violence
- Sudden infant death syndrome family
- Uncomplicated bereavement

### Depressive disorders/bipolar and related disorders

### Disruptive, impulse-control and conduct disorders/ neurodevelopmental disorders

### Feeding or eating disorders

- Anorexia nervosa
- Bulimia nervosa
- Obesity

### Ill-defined presentations

- Altered mental status
- Confusion states

### Personality disorders

### Schizophrenia spectrum and other psychotic disorders

- Delusional disorder
- Schizoaffective disorder
- Schizophrenia
- Schizophreniform disorder

### Somatic symptom and related disorders

### Substance-related disorders

- Alcohol-related disorders
- Caffeine-/tobacco-related disorders
- Drug-related disorders

## UROLOGY/RENAL

Bacterial infections

Infectious diseases of the kidney/urinary tract

Acute cystitis

Gonococcal urethritis

Pyelonephritis

Pyuria

Urethritis

Urinary tract infections

Manifestations of the genitourinary system

Dysuria

Renal colic

Obstructive urinary tract diseases

Nephrolithiasis

Ureteral calculus

Prostatic hyperplasia

Renal diseases

Acute renal failure/insufficiency

Chronic renal failure/insufficiency

Hematuria

Neoplasms

Other diseases of the male reproductive system

Testicular mass

Torsion of testes

Other urinary tract disorders

Enuresis

## DERMATOLOGY

### Acute exanthems

- Varicella
- Zoster

### Bacterial infections

### Skin eruptions

- Acne vulgaris
- Insect bite (nonvenomous)
- Scabies
- Symptoms involving skin/  
integumentary tissue
- Other inflammatory condition  
of skin

### Tumors of skin

- Keratoderma (acquired)
- Lipoma
- Neoplasms
- Sebaceous cyst
- Secondary syphilis
- Viral warts

### Viral infections

### Wounds/injuries

- Burns
- Various open wounds

### Other dermatologic/viral infections

- Mumps
- Rubella
- Rubeola
- Varicella

### Other diseases of the skin/subcutaneous tissues

- Decubitus ulcer
- Diseases of nails/hair
- Ulcer of lower limbs

### Other skin infections

- Candidiasis (mouth, unspecified)
- Cellulitis/abscess (finger, toe, other  
local infections)
- Impetigo
- Mycoses/dermatophytosis

## HEMATOLOGY

### Anemias

### Bacterial infections

### Human immunodeficiency virus

- Autoimmune deficiency syndrome
- Complications associated with human  
immunodeficiency virus

### Ill-defined presentations

- Enlarged lymph nodes
- Fever of unknown origin
- Lymphadenitis (except mesenteric)
- Septic shock

### Infectious mononucleosis

### Malignant neoplasias

- Leukemias
- Lymphomas (Hodgkin)

### Polycythemia

### Viral infections

### Other hematologic diseases

- Coagulation disorder
- Splenic disorders
- Transfusion reaction

## INFECTIOUS DISEASES

### Fungal diseases

- Candidiasis
- Cryptococcosis
- Histoplasmosis
- Pneumocystis

### Gram negative bacteria

- Gonococcal infections
- Salmonellosis
- Shigellosis

### Gram positive bacteria

- Botulism
- Diphtheria
- Tetanus

### Mycobacterial disease

### Parasitic disease

- Amebiasis
- Chlamydial
- Malaria
- Pinworms
- Toxoplasmosis

### Spirochetal disease

- Lyme disease
- Rocky Mountain spotted fever
- Syphilis

### Viral diseases

- Cytomegalovirus
- Epstein-Barr virus
- Erythema infectiosum
- Herpes simplex virus
- Human immunodeficiency virus
- Human papillomavirus infections
- Influenzae
- Mumps
- Rabies
- Roseola
- Rubella
- Rubeola
- Varicella-zoster infections

## DISCLAIMER

The PACKRAT Topic List, Blueprint, and Core Tasks and Objectives are resources used by PAEA to guide the development of exam content and construction of each exam version. Questions on the exam are considered only a sample of all that might be included in PA education and may not reflect all content identified in the Topic List.

These resources may be useful to students when studying for the exam; however the Topic List is not a comprehensive list of all the exam question topics. PAEA's goal is not to provide a list of all the topics that might be on the exam, but rather to provide students with a resource when preparing for the exam. PAEA recommends that students review the Topic List, Blueprint, and Core Tasks and Objectives in conjunction when preparing for the exam.
