

BAYLOR COLLEGE OF MEDICINE (BCM)
CURRICULUM VITAE
ELIZABETH P. ELLIOTT, MS, PA-C

I. GENERAL BIOGRAPHICAL INFORMATION

A. Personal

1. Full Name: Elizabeth P. Elliott (elliott@bcm.edu)
2. Citizenship: United States

B. Education

1. Undergraduate Education
 - University of Texas at Austin; B.A. in Spanish Civilization (minor in Biological Sciences); August 1997 to December 2000
 - Austin Community College; Paramedic Certification; August 1997 to May 2001
2. Medical Education or Graduate Education
 - Baylor College of Medicine, Houston, Texas; M.S. in Physician Assistant Studies (with honors); June 2004 to December 2006
 - Master's Project – Emergency Medicine Physicians' Opinions Regarding the Use of Physician Assistants in the Emergency Department Setting in Texas; Advisor – Katherine M. Erdman, MPAS, PA-C
3. Postgraduate Training – N/A

C. Academic Appointments

1. Faculty Positions at Baylor College of Medicine
 - Associate Professor, Joint Appointment in School of Health Professions (100%) and Department of Pediatrics (per diem), July 2021 to present
 - Medical Ethics Scholar, Center for Medical Ethics and Health Policy, 2019 to present
 - Associate Professor, Joint Appointment in School of Health Professions (80%) and Department of Pediatrics (20%) (Section of Critical Care), March 2019 to present
 - Associate Professor, Joint Appointment in School of Health Professions (60%) and Department of Pediatrics (40%) (Section of Critical Care), August 2018 to February 2019
 - Assistant Professor, Joint Appointment in School of Allied Health (60%) and Department of Pediatrics (40%) (Section of Critical Care), February 2011 to August 2018
 - Member, Center for Medical Ethics and Health Policy, March 2007 to 2019
 - Instructor, Department of Pediatrics (Section of Critical Care), March 2007 to February 2011
 - Clinical Adjunct Instructor, School of Allied Health, October 2007 to February 2011
2. Previous Faculty Position at Other Institutions – N/A
3. Faculty Appointments at Other Institutions While at BCM

- Assistant Professor (Adjunct Faculty), Texas Tech University Health Science Center School of Nursing, May 2019 to present

D. Other Advanced Training/Experience

1. Formal Sabbatical Leave – N/A
2. Other Specialized Training
 - Physician Assistant Education Association Brain Aware Leadership Training (PAEA), March 2022 – December 2022
 - Career Advancement and Leadership for Women in Healthcare (Harvard University), November 2021
 - Program Directors Intensive Workshop (Physician Assistant Education Association), July 2021 – June 2022
 - New Program Directors Workshop (Physician Assistant Education Association), October 2019
 - BEME (Best Evidence in Medical Education) International Collaborating Center Core Faculty, November 2019 to present
 - BEME Course Completion, March 2020
 - Licensed Paramedic (TX), National Registry of Emergency Medical Technicians, May 2001 to present
 - Advanced Cardiac Life Support, May 2001 to present
 - Pediatric Advanced Life Support, May 2001 to present
 - Basic Life Support/CPR, May 1999 to present
 - International Trauma Life Support, May 2001 to present
 - Pediatric Fundamentals of Critical Care, July 2011 to present

E. Other Information

1. Honors or Awards
 - Distinguished Fellow of the American Academy of Physician Assistants, February 2022
 - BCM Department of Pediatrics Award of Excellence in Teaching, January 2022
 - BCM School of Health Professions Student Poster Competition, First Place, December 2021 – Mentor to Ashley Allen, PA Student
 - BCM School of Health Professions Student Poster Competition, First Place, December 2021 – Mentor to Kristen Berry, PA Student
 - Society for Physician Assistants in Pediatrics, PA of the Year, 2021
 - BCM Academy of Distinguished Educators Annual Showcase, Poster Finalist, September 2021.
 - BCM Clark Faculty Service Award, May 2020
 - BCM School of Health Professions Student Poster Competition, First Place, December 2019 – Mentor to Meaghan James, PA Student
 - Texas Academy of Physician Assistants Poster Competition, First Place, February 2019 – Mentor to Alyssa Hoover, PA Student
 - Baylor College of Medicine Distinguished Young Alumnus Award, April 2018
 - BCM School of Allied Health Sciences Student Poster Competition, First Place, December 2016 – Mentor to Angela Correale, PA Student
 - Fulbright & Jaworski Faculty Excellence Award, Educational Leadership, December 2015

- BCM School of Allied Health Sciences Student Poster Competition, Third Place, December 2015 – Mentor to Sarah Broeker, PA Student
 - NAPNAP Poster Practice Innovations Poster Award, Las Vegas – Family Initiated Pediatric Rapid Response: Improve Patient Safety by Empowering Families to Express Concern and Seek Care, March 2015
 - BCM School of Allied Health Sciences Student Poster Competition, First and Second Place, December 2014 – Mentor to Jeffrey McCue and Emilie Meisner, PA Students
 - BCM School of Allied Health Sciences Student Poster Competition, First and Third Place, December 2013 – Mentor to Ashley Wilking and Katie Voigt, PA Students
 - BCM School of Allied Health Excellence in Teaching Award, December 2012
 - BCM School of Allied Health Student Poster Competition, First and Third Place, December 2012 – Mentor to Amy Robker and Stella Meusch, PA Students
 - Fulbright & Jaworski Faculty Excellence Award, Teaching and Evaluation, May 2011
 - Academy of Distinguished Educators, Baylor College of Medicine, May 2011 to present
2. Board Eligibility/Certification
 - National Commission of Certification of Physician Assistants, January 2007 to present (Recertification in 2012, recertification pilot 2019)
 3. Other Non-academic Positions
 - Physician Assistant, Minute Clinic, February 2009 to February 2011

II. RESEARCH INFORMATION

A. Research Support – N/A

B. National Scientific Participation

1. Journal Editorial Boards – N/A
2. Review Panels
 - Manuscript Reviewer, Journal of Allied Health (Emergency Medical Service and Physician Assistant sections), February 2019 to present, 4 reviews completed
 - Manuscript Reviewer, Diagnosis, May 2021 to present, 2 reviews completed
 - Peer Reviewer, AAP Bright Futures Mini Trainings, April 2021 to present, 3 reviews completed (Toilet Training, Agenda Setting, and Dental Caries)
3. Professional Societies
 - International Association of Medical Science Educators, May 2022 to present
 - Texas Association for Graduate Enrollment Management, February 2022 to present
 - Texas Society for Allied Health Professions, March 2020 to present
 - National Association for the Education of Young Children (NAEYC), May 2017 to present
 - Society for Physician Assistants in Pediatrics (SPAP), 2011 to present
 - Texas Academy of Physician Assistants (TAPA), 2014 to present (Student Affairs Committee Member, CME Conference Committee Member)

- Bright Futures Expert Panel, Elk Grove Village, IL: American Academy of Pediatrics; 2013 – 2017 (Infancy Panel Member)
- Physician Assistant Education Association (PAEA); 2011 to present
- American Academy of Pediatrics (AAP), 2011 to present (Affiliate Member)
- American Academy of Physician Assistants (AAPA), 2007 to present (Fellow)
- Society of Critical Care Medicine (SCCM), 2007 to present (Member)
- National Registry of Emergency Medical Technicians (NREMT), 2001 to present (Member)

4. Elected Positions

- AAP-AAPA (American Academy of Pediatrics-American Academy of Physician Assistants) Liaison July 2022 – July 2024
- Past-President, Society for Physician Assistants in Pediatrics, July 2019 to June 2020
- President, Society for Physician Assistants in Pediatrics, July 2018 to June 2019
- President-Elect, Society for Physician Assistants in Pediatrics, July 2017 to June 2018
- Member at Large, Society for Physician Assistants in Pediatrics, July 2015 to June 2017

5. Invited Lectures, Presentations, Seminars – N/A

- International – N/A
- National
 - AAPA We are Family Conference, January 2021, Oh Baby, New Baby
- Regional – N/A

C. Publications

1. Full Papers in Peer Review Journals

- Published
 - Kelty, et al., “The Role of Breastfeeding in Cytomegalovirus Transmission and Hematopoietic Stem Cell Transplant Outcomes in Infants with Severe Combined Immunodeficiency”; Journal of Allergy and Clinical Immunology: In Practice; [https://www.jaci-inpractice.org/article/S2212-2198\(19\)30498-2/abstract](https://www.jaci-inpractice.org/article/S2212-2198(19)30498-2/abstract).

- Accepted/In Press – N/A

2. Full Papers Without Peer Review – N/A

- Published – N/A
- In Preparation – N/A

3. Abstracts Given

- International Association of Medical Science Educators Annual Conference, Denver, CO, June 2022. Holistic Admissions: Becoming Part of the Whole Picture.
- Texas Children's Hospital Advanced Practice Provider Annual Conference, Houston, TX, April 2022. Holistic Recruitment in the Time of a Pandemic.
- Council on Medical Student Education in Pediatrics (COMSEP) National Conference, Cincinnati, OH, March 2022. Medical and Physician Assistant Students Perceptions of Pediatric Access to Care Education.
- Baylor College of Medicine Diversity, Equity, and Inclusion Annual Showcase, Virtual, October 2021. Holistic Admissions: Becoming Part of the Whole Picture.
- Baylor College of Medicine Annual Education Showcase, Virtual, September 2021. Holistic Admissions in the Virtual Environment.
- TEACH-S Annual Symposium, Virtual, May 2021, Holistic Admissions: Becoming Part of the Whole Picture; 2nd place in poster competition, invited to give oral presentation
- Texas Academy of Physician Assistants, Virtual, February 2021, Radiographic Image Interpretation and Self-Assessment of Competence
- Physician Assistant Education Association, Virtual, October 2020, Impact of Holistic Admissions on Enrollment of Underrepresented Minorities
- Physician Assistant Education Association, Virtual, October 2020, To Attend or Not to Attend – Motivation for Attendance for PA Students
- TEACH-S Annual Symposium, Virtual, May 2020; Impact of Holistic Admissions on Enrollment of Underrepresented Minorities
- TEACH-S Annual Symposium, Virtual, May 2020; Workshop: Holistic Admissions – Becoming Part of the Whole Picture
- Thompson K, Elliott E, Boone S, Gentry M, Tchamitchi H, Stein F, Shekerdeman L, Nasser W. Lessons Learned Over a Twenty-Year Experience in the Utilization of Advanced Practice Providers in a Large Academic Pediatric Critical Care Medical Setting. Poster presentation and abstract at the American Academy of Pediatrics (AAP) National Conference and Exhibition annual meeting. New Orleans. October 25-29, 2019.
- Society for Physician Assistants in Pediatrics Annual Conference, Houston, Texas, September 2019; Do the Clinical Tasks Required to Store, Prepare, and Dispense Breast Milk to Hospitalized Infants Result in a Cumulative Time Period and Temperature that Exceeds Safety Standards
- Society for Physician Assistants in Pediatrics Annual Conference, Houston, Texas, September 2019; The Effect of Shunt Type on Red Blood Cell Transfusion Frequency and Amount for Patients with Single Ventricle Physiology Following Stage One Palliation and Current Transfusion Practices at Texas Children's Hospital
- Society for Physician Assistants in Pediatrics Annual Conference, Houston, Texas, September 2019; Predictors of Academic Success in Physician Assistant Didactic Training
- TEACH-S Annual Symposium, Galveston, Texas, May 2019; Predictors of Academic Success in Physician Assistant Didactic Training
- Texas Academy of Physician Assistants Annual Conference, Houston, Texas, February 2019; Do the Clinical Tasks Required to Store, Prepare, and Dispense Breast Milk to Hospitalized Infants Result in a Cumulative Time Period and Temperature that Exceeds Safety Standards

- Texas Academy of Physician Assistants Annual Conference, Houston, Texas, February 2019; The Effect of Shunt Type on Red Blood Cell Transfusion Frequency and Amount for Patients with Single Ventricle Physiology Following Stage One Palliation and Current Transfusion Practices at Texas Children’s Hospital.
- Texas Academy of Physician Assistants Annual Conference, Houston, Texas, February 2019; Predictors of Academic Success in Physician Assistant Didactic Training
- International Society for Heart and Lung Transplantation Annual Meeting, San Diego, California, April 2017; The Burden of Influenza Infection and Disease in Pediatric Lung Transplant Patients
- Texas Children’s Hospital Transplant Symposium, Houston, Texas, September 2016; Burden of Influenza Infection in Pediatric Lung Transplant Patients at Texas Children’s Hospital
- American Academy of Physician Assistants Annual Conference, San Francisco, California, May 2015; Assessing Time to Graduation of Malnourished Haitian Children Enrolled in Inpatient Treatment Program Utilizing Ready-To-Use Therapeutic Food
- National Association of Pediatric Nurse Practitioners Annual Conference, Las Vegas, Nevada, March 2015; Family Initiated Pediatric Rapid Response: Improve Patient Safety by Empowering Families to Express Concern and Seek Care
- American Academy of Pediatrics Annual Conference, San Diego, California, October 2014; Physician Assistant Students’ Retention of Breastfeeding Knowledge after Completion of Web-Based Learning and Lactation Shadowing Experience
- American Academy of Physician Assistants Annual Conference, Boston, Massachusetts, May 2014; Central Nervous System Manifestations in Pediatric Patients with Influenza A H1N1 Infection during the 2009 Pandemic
- Physician Assistant Education Association Annual Conference, Memphis, Tennessee, October 2013; Opinions of Academic Pediatricians Regarding the Use of Physician Assistants in the Pediatric Setting in Houston, Texas
- Physician Assistant Education Association Annual Conference, Memphis, Tennessee, October 2013; A Survey of Community Pediatricians’ Attitudes toward Physician Assistants in the Pediatric Setting in Texas
- Physician Assistant Education Association Annual Conference, Seattle, Washington, November 2012; Physician Assistant Students’ Self-Perceived Knowledge of Breastfeeding before and After Completion of Web-Based Curriculum and Lactation Shadowing Experience
- American Academy of Pediatrics Annual Conference, New Orleans, Louisiana, October 2012; Physician Assistant Students’ Self-Perceived Knowledge of Breastfeeding before and After Completion of Web-Based Curriculum and Lactation Shadowing Experience
- American Academy of Physician Assistants Annual Conference, Philadelphia, Pennsylvania, May 2007; Emergency Medicine Physicians’ Opinions Regarding the Use of Physician Assistants in the Emergency Department Setting in Texas

4. Books

- Complete Books Written – N/A
- Books Edited (include names of other editors, if applicable)
 - Riccioni M, Boone S. Critical Care Medicine Advanced Practice Provider Handbook, Second Edition, 2018. Contributing Author and Reviewer **E. Elliott**

- Riccioni M, Nasser W. Critical Care Medicine Advanced Practice Provider Handbook, First Edition, 2014. Contributing Author and Reviewer **E. Elliott**
- Book Chapters Written
 - **Elliott EP**, Chronically and Terminally Ill Children, Primary Care Pediatrics for the Nurse Practitioner: A Practical Approach. New York: Springer Publishing Company, 2022.
 - **Elliott EP**, Pulmonary Edema; Pediatric Acute Care: A Guide for Interprofessional Practice, 2nd Edition, November 2018
 - **Elliott EP**, Air-Leak Syndromes; Pediatric Acute Care: A Guide for Interprofessional Practice, 2nd Edition, November 2018
 - **Elliott EP**, Pulmonary Edema; Pediatric Acute Care: A Guide for Interprofessional Practice, May 2011
 - **Elliott EP**, Air-Leak Syndromes; Pediatric Acute Care: A Guide for Interprofessional Practice, May 2011
 - Hagan JF, Shaw JS, Duncan PM, eds. *Bright Futures: Guidelines for Health Supervision of Infants, Children, and Adolescents*. 4th ed. Elk Grove Village, IL: American Academy of Pediatrics; 2017. Expert Panel Member and Contributing Author for Infancy and Safety Chapters **E. Elliott**
- 5. Other Works Communicating Research Results to Scientific Colleagues
 - **Elliott E**. "Pertussis". Society for Physician Assistants in Pediatrics (SPAP) Monthly Newsletter, March 2020.
 - **Elliott E**. "A Year in Review". Society for Physician Assistants in Pediatrics (SPAP) Monthly Newsletter, June 2019.

6. Other Works Communicating Research Results to General Public
 - Interview, Houston Chronicle “Getting Ahead”, June 2017.

D. Innovation and Commercialization

1. Patents – N/A
2. Device, Software or Other Development – N/A
3. Evidence of Impacting Health/Scientific Policy or Clinical Practice Guidelines
 - Access to Care Workshops for Learners in Pediatric Medicine: Co-Investigator, 2021 – present, H-49955
 - Evidence Based Medicine Course at Texas Children’s Hospital, 2009-2010, Development & Implementation of Hospital-Wide Clinical Guidelines & Order Set for Child Physical Abuse; revised in 2018
 - Expert Panel at Texas Children’s Hospital, 2007-2008, Revision and Implementation of Hospital-Wide Guidelines and Order Set for Status Epilepticus
4. Participation in Business Development and Commercialization – N/A
5. Other Activities – N/A

III. TEACHING INFORMATION

A. Educational Leadership Roles (at Baylor College of Medicine)

- Program Director, Physician Assistant Program, July 2021 to present
- Associate Program Director (Academic Coordinator), Physician Assistant Program, March 2019 to present
- Diagnostic Testing and Clinical Laboratory Medicine (Course Director), March 2019 to present
- Medical Ethics (Course Coordinator), March 2019 to present
- Pediatric Clinical Medicine (Course Director), February 2011 to present
- Pediatric Clinical Rotations (Course Director), February 2011 to present
 - Coordinated movement of clinical rotation sites back to TCH/BCM affiliates, 2017-2020
- Pediatric Clinical Medicine Course (Newborn Nursery Coordinator); May 2011 to present
- Pediatric Clinical Medicine Course (Pediatric Interview Supervisor); May 2012 to present
- Pediatric Clinical Medicine Course (Milestone Skills Lab Coordinator); May 2014 to present
- Pediatric Clinical Medicine Course (Observation Skills Lab Coordinator); May 2014 to present
- Coordinator, Breastfeeding Resources and Breast Pump Education for CCM APPs, October 2013 to present

B. Didactic Coursework

1. Courses Taught at BCM Within the Primary Department
 - Physician Assistant Students
 - Ethics Course (Panel Participant), April 2019 to April 2022

- Cardiology Clinical Medicine Course (Lecturer); August 2016 to present
- Women's Health Course (Lecturer); April 2016 to present
- Clinical Medicine Emergency Medicine Course (Lecturer); July 2011 to present
- Physical Diagnosis Course (Facilitator/Mentor/Lecturer); October 2007 to present
- Pediatric Clinical Medicine Course (Lecturer); May 2007 to present
- Ethics Course (Facilitator); March 2007 to present

2. Courses Taught at BCM External to the Primary Department

- Medical Students
 - Physician, Patient, and Society I & II Course (Facilitator); July 2007 to May 2012
 - APEX Ethics Course (Small Group Leader); 2009
 - Physician, Patient, and Society II Course (Pediatric and Newborn Exam Instruction); October 2007 to present
 - Physician, Patient, and Society I & II Course (Substitute Facilitator); June 2012 to 2015
- Residents
 - Resident Lecture Series (Lecturer), Status Epilepticus, 2013 to March 2019
 - Emergency Medicine Resident Lecture Series (Lecturer), Nutrition in Critical Care, 2014 to present
- Faculty
 - Nutrition & TPN, Pediatric Hematology/Oncology APP Faculty, August 2019
 - Orientation, Pediatric Critical Care Faculty (Lecturer), 2007 to present
 - Breastfeeding Education, Pediatric Critical Care Faculty (Lecturer), 2013 to present

3. Courses Taught at Other Institutions While at BCM

- Physician Assistant Students
 - Pediatric Infectious Diseases (Lecturer), Pediatrics, January 2021, Frostburg University
- Nursing/Advanced Practice Providers
 - Critical Care Nursing Review Course, Texas Children's Hospital, (Lecturer), Pulmonary Disorders, 2008 to 2014
 - Critical Care Nursing Orientees (Lecturer), Vasoactive Medications, 2008 to 2014
 - Nursing Lecture Series (Lecturer), Shock, 2013 to 2016
 - Nursing Lecture Series (Lecturer), Breastfeeding, 2013 to present
 - Fundamentals of Pediatric Critical Care Course (Lecturer), July 2011 to 2013
 - Pediatric Bone Marrow Transplant Advanced Practice Providers Orientation (Lecturer) – TPN/Nutrition, October 2013
- Acute Care Nurse Practitioner Students
 - Texas Tech Acute Care Nurse Practitioner Program (Lecturer); August 2014 to present – GI Bleeding
 - University of Texas Medical Branch Galveston Acute Care Nurse Practitioner Program (Lecturer); May 2014 to present – Well Child Care 0-2 years; Pediatric Surgical Emergencies

C. Curriculum Development Work

1. Pediatric Clinical Medicine Course -- BCM Physician Assistant Program
 - Sole developer of curriculum in these areas:
 - Pediatric Physical Exam Workshop
 - Pediatric Interview (see MedEd Portal publication above)
 - Pediatric Milestone Workshop
 - Pediatric Observation Lab
 - Pediatric Therapeutics Module
 - Audience:
 - Physician Assistant students
 - Various healthcare profession students outside BCM as distributed through Med Ed Portal
2. Orientation Curriculum for New Hires – BCM Department of Pediatrics, Section of Critical Care
 - Member of ongoing work group contributing to:
 - Lecture content and order
 - Length and timing of curriculum
 - Curriculum delivery
 - Workshop creation
 - Audience: New hire Nurse Practitioners and Physician Assistants

D. Non-didactic Teaching While at BCM

1. Resident Training
 - Resident Training, PCU Resident Clinical Service Training, May 2008
3. Clinical Fellow Training
 - PA Fellow Simulation, TCH PA Surgical Fellows, October 2019
3. Research Fellow Training – N/A
4. Graduate Student Training
 - Physician Assistant, Nurse Practitioner & Medical Students
 - Texas Tech University Acute Care Nurse Practitioner Program Preceptor, July 2014 to present
 - BCM PA Program, Pediatrics Clinical Inpatient, Outpatient, and Elective Rotations (Rotation Coordinator), February 2011 to present
 - Preceptor, PICU elective rotation, 2 students per year, 2007 to 2010
 - Preceptor, PICU elective rotation, 1-2 student per year, 2011 to present
 - Master's Thesis Projects (Primary Mentor), August 2011 to present
 - 2020-2021
 - Ashley Allen - Improving Diversity Through Holistic Admissions Process
 - Trey Bothe - Radiographic Image Interpretation and Self-Assessment of Competence: A Comparison of Confidence
 - 2019-2020
 - Ashley Lengel - Radiographic Image Interpretation and Self-Assessment of Competence
 - Salma Balbas - Impact of Holistic Admissions on Improving Diversity Throughout the Admissions Process
 - 2018-2019

- Kelly Shaffer – Holistic Admissions’ Impact on Minority Student Enrollment
- 2017-2018
 - Jessica Robinson – Admission Criteria as Predictors of Didactic Success
- 2016-2017
 - Michael Newkirk – Enrollment Management in the Baylor Physician Assistant Program Admissions: Trends in Applicant Demographic and Academic Data
 - Jordan Voth – Comparing Average BMI of Children within Guatemalan Communities (IRB H-40964)
 - Erica French – Efficacy of the Pediatric Vaccination Curriculum at the Baylor College of Medicine Physician Assistant Program
- 2015-2016
 - Sarah Hughes – Analysis of Child Safety Seat Education Programs’ Efficacy and Quality in the Physician Assistant Student Population at Baylor College of Medicine
- 2014-2015
 - Shannon Diehl – The Effect of Prenatal Versus Postpartum Breastfeeding Education on Breastfeeding Incidence in the Immediate Postpartum Period
 - Aimee Hariramani – Car Seat Education in the BCM PA Program
- 2013-2014
 - Hannah Rogers – Assessing Rate of Growth and Overall Time to Graduation of Malnourished Haitian Children Enrolled in Inpatient Treatment Program Utilizing Ready to Use Therapeutic Food
 - Kristin Norris – Physician Assistant students’ retention of breastfeeding knowledge after completion of their pediatric in-patient clinical rotation including web-based curriculum and lactation shadowing experience
 - Melissa Valdez – A Survey of Practicing Clinicians Knowledge Regarding Breastfeeding
- 2012-2013
 - Jayne Chirido – Pediatricians’ Opinions Regarding the Use of Physician Assistants in the Pediatric Setting in Texas
 - Cassandra Moore – Pediatricians’ Opinions Regarding the Use of Physician Assistants in the Academic Pediatric Setting in Texas
- 2011-2012
 - Stella Meusch – Physician Assistant Students’ Self-Perceived Knowledge of Breastfeeding before and after Completion of Web-Based Curriculum and Lactation Shadowing Experience
- Master’s Thesis Projects (Secondary Mentor), February 2011 to present
 - 2020-2021
 - Austin Hampton - Factors Influencing Declination of Admission to the Baylor College of Medicine PA Program

- Pre-Covid (January 2020) and Post Covid Era (November 2020)
- Cicely Conway - Analysis of Immature Platelet Fraction Values
 - Elisa Wells – Identifying human trafficking victims: A quantitative report on the impact of specialized anti-human trafficking training for Physician Assistant students
 - Kristen Berry – Retrospective Review of Cat Scratch Disease at Texas Children’s Hospital
- 2019 – 2020
 - Lisa Rivera - Factors Influencing Declination of Interview or Admission to the Baylor College of Medicine PA Program
 - J Hunter – Staphylococcus Aureus Surveillance and Trends in the Neonatal Intensive Care Unit
 - Alex Huechteman - Relationship between the first and sixth hour hemodynamics to post- operative outcomes following corrective surgery for congenital heart disease in children
 - Karin Madison - Case series of infantile dengue virus infection: Clinical presentation and outcomes in children within the first year of life in an endemic region in Central America
 - Laurie Dutko – Incorporation of High Value Care Curriculum in Physician Assistant Education, A Needs Assessment
 - 2018-2019
 - Melissa Santos - Risk Factors for Nephrolithiasis Development in Pediatric Patients with Spina Bifida or Neurogenic Bladder
 - Ashton Groves – Transfusion Associated Circulator Overload (TACO) in Pediatric Patients in the Surgical ICU at Texas Children’s Hospital
 - Meaghan James - To Attend or Not to Attend: Student Motivation for Attendance in the Baylor Physician Assistant Program
 - 2017-2018
 - Ashley McKenna - Do the Clinical Tasks Required to Store, Prepare, and Dispense Breast Milk to Hospitalized Infants Result in a Cumulative Time Period and Temperature that Exceeds Safety Standards?
 - Kaitlyn Newell – Exploratory Case Series of Pediatric Teratomas: A Five Year Descriptive Study at Texas Children’s Hospital on Demographics, Tumor Characteristics, and Outcomes
 - Megan Hubbard – Does Baby Friendly Hospital Designation in the Maternity Hospital Affect Breastfeeding in the Neonatal Intensive Care Unit?
 - 2016-2017
 - Amy Fisher – Retrospective Review of Infective Endocarditis in the Pediatric Population at Texas Children’s Hospital

- William Kelty – The Role of Breastfeeding on Transmission Rates of Cytomegalovirus Infection to Infants with Severe Combined Immunodeficiency
- Claire Kennedy – Infection in Patients with PLE Post-Fontan Procedure
- Emily Bertram – Comparing the Efficacy of Different Prophylactic Antiviral Regimens in preventing Late Onset Cytomegalovirus Infection in High Risk Pediatric Liver Transplant Patients
- Michael Evett – Pneumococcal Polysaccharide Vaccine Uptake in High Risk Pediatric Populations
- Morgan Rockwell – Current Platelet Utilization and Monitoring Practices Among Inpatient Pediatric Oncology Patients Diagnosed with Leukemia
- 2015-2016
 - Kelley Hannegan - Burden of influenza infection and disease in pediatric lung transplant patients at Texas Children's Hospital
 - Correale, Angela - Evidence of Infection in Pediatric Population of PLE at TCH Developed Post-Fontan Procedure
 - Tommy Fraiz - Prevalence of Alternative Immunization Schedules in Texas Children's Hospital TCP practices
 - Waugh, Alix - Pre-Transplant MMR and Varicella Immunity in Pediatric Liver Transplant Recipients at Texas Children's Hospital, and Predictors of Loss of Post-Transplant Immunity
 - Shona Beatty - The Role of Breastfeeding on Transmission rates of Cytomegalovirus Infection to Infants with Severe Combined Immunodeficiency (SCID) and the Effect on Hematopoietic Stem Cell (HSC) Transplantation Outcome
- 2014-2015
 - Katy King – Characterization of Staphylococcus Aureus Scalded Skin Syndrome in Pediatric Patients at Texas Children's Hospital from 2001-2014
 - Anna Neubert – Survival and Mortality Outcomes in Pediatric Lung Transplant Patients at Texas Children's Hospital
 - Jessica Branson – The Epidemiology and Management of Pediatric Septic Arthritis
 - Nichole Morales – The Use of Mobile Device Applications as Vocational Support for Young Adults with Autism Spectrum Disorder and Co-Occurring Mental Illness
 - Sarah Broeker – Impact of Adenovirus Infection in Post-Lung Transplant Pediatric Patients
 - Julie Leroux – Pneumococcal Polysaccharide Vaccine Uptake in High Risk Pediatric Patients
 - Rose Dust – Hypogammaglobulinemia in Pediatric Lung Transplant Recipients at Texas Children's Hospital Between 2007 and 2014
- 2013-2014

- Emilie Miesner - Pre-treatment folic acid supplementation to minimize adverse effects of standard high-dose methotrexate in the Treatment of Osteosarcoma: A Case Study
- Jeffrey McCue - Parental Attitudes Toward Childhood Vaccinations
- Ashleigh Theimer – Graduate Students’ Self-Perceived Abilities to Meet Standard Competencies on Completion of the General Surgery Clerkship at Baylor College of Medicine Physician Assistant Program
- 2012-2013
 - Katie Voigt – Characterization of Anticoagulation and Antiplatelet Therapy in Pediatric Patients s/p Implantation of HeartMate II Left Ventricular Assist Devices (LVADs)
 - Ashley Wilking – Central Nervous System Manifestations in Pediatric Patients with Influenza A H1N1 Infection During the 2009 Pandemic
 - Kendall Kilgo – Physician Assistant Students’ Perceptions and Predicted Outcomes of Peer Assessment in a Team-Based Learning Course
- 2011-2012
 - Amy Robker – Pediatric Fluid Management and Cerebral Edema in Diabetic Ketoacidosis
 - Preston Gorman – Predictors of Mesh Explanation and Reoperation in Open Ventral Hernia Repair
 - Diana Barksdale – Evaluation of Physician Assistant Students’ View of “Project in a Box” Oral Healthcare Project in Promoting Pediatric Oral Health throughout the Physician Assistant Program
 - Valerie Fagan – Epidemiology and Impact of Surgical Site Infection in Cancer Patients
- 2010-2011
 - Chris Hawks – Physician Assistant Practicing Trends and Perceived Preparedness for Entry-Level Practice
 - Cameron Whitaker – Medical Students’ Understanding of the Physician Assistant Profession
 - Hannah Vassaur – Confirming the Reliability of Evaluating Spanish Language Competency in Physician Assistant Students via Direct Observation and a Self-Assessment Survey
 - Emily Ence – Peer Attachment in Adolescents Engaged in Substance Abuse Recovery
 - Mallory Pierce – Retrospective Study of Obesity in Long Term Survivors of Childhood Acute Lymphoblastic Leukemia

5. Mentoring

- Mentor, BCM Peer Coach Mentoring Program (4 sessions completed)
- National APP Peer Mentoring Group
- NRF Champion Mentoring
 - Jonnae Atkinson
 - Kathleen Thompson

- Dan Riconda

 - Presenter, Who's Afraid of IPE, September 2020
- Diversity Admissions Symposium
 - Interviewer for Mock Interviews, February 2017 to present
 - Presenter, February 2017 to present
- Critical Care Fellows
 - Simulation-Based Clinical Orientation for Pediatric Subspecialists (SCOPE), instructor, July 2017 to present
- Medical Students
 - Panelist, National Primary Care Interdisciplinary Panel, March 2012
- High School Students
 - Lecturer, IWA High School Presentation, March 2011
 - Lecturer, Kingwood High School, October 2016, December 2017, December 2018

G. Visiting Professorships – N/A

IV. PATIENT CARE AND CLINICAL CONTRIBUTIONS

A. Patient Care Responsibilities

1. Department-wide
 - Department of Pediatrics
2. Section or Specialty
 - Section of Critical Care
3. Clinical Service
 - Texas Children's Hospital (12-48 hours/month patient care)
 - Pediatric Intensive Care Unit – patient care rounds, charting, billing
 - Transitional Intensive Care Unit – patient care rounds, charting, billing

B. Clinical Leadership or Business Development

- Advanced Practice Provider Faculty
 - Coordinator, Mentorship Program for new APP faculty (oversee mentorship program for new APP faculty to include pairing mentors/mentees, ensuring guidance for mentors, and ensuring needs of mentees are met)
 - Mentor, 7 total APP Faculty in last 7 years (see mentorship section above)
 - Chair, Scheduling Committee (oversee, create, and organize schedule and scheduling software for the entire APP faculty and fellows of the critical care section – ~20 service lines)
- Critical Care Section Faculty
 - APP Coordinator, Critical Care Staffing Taskforce, October 2015 to present

- Texas Children's Hospital
 - Co-Author, Clinical Guidelines & Order Set for Child Physical Abuse
 - Expert Panel, Clinical Guideline Revision for Status Epilepticus

C. Voluntary Health Organization Participation – N/A

D. Contributions, Initiatives or Recognition Related to Patient Safety and Healthcare Quality

- Member, Suspected Child Physical Abuse Content Expert Team, 2018, Revision of Suspected Child Physical Abuse Guidelines
- Hagan JF, Shaw JS, Duncan PM, eds. *Bright Futures: Guidelines for Health Supervision of Infants, Children, and Adolescents*. 4th ed. Elk Grove Village, IL: American Academy of Pediatrics; 2017. Expert Panel Member and Contributor
- Evidence Based Medicine Course at Texas Children's Hospital, 2009-2010, Development & Implementation of Hospital-Wide Clinical Guidelines & Order Set for Child Physical Abuse
- Expert Panel at Texas Children's Hospital, 2007-2008, Revision and Implementation of Hospital-Wide Guidelines and Order Set for Status Epilepticus

E. Contributions to Health and Science Policy – N/A

V. SERVICE CONTRIBUTIONS

A. Administrative Assignments and Committees

1. Department or Center Administration, Committees, etc.
 - School of Health Professions/Physician Assistant Program
 - Chair, PA Program Executive Committee, July 2021 to present
 - Member, School of Health Professions Diversity Taskforce, July 2020 to present (Training Subcommittee)
 - Member, School of Health Professions Curriculum Committee, March 2019 to present
 - Moderator, White Coat Ceremony, July 2019 to July 2021
 - Chair, Accreditation Focus Group, Admissions, March 2018
 - Member, School of Health Professions Awards Committee, July 2017 to present
 - Chair, Physician Assistant Program Admissions Committee, July 2016 to present
 - Moderator, PAEA Virtual Fairs, July 2018 to present
 - Speaker, PA Program Information Sessions, March 2016 to present
 - Speaker, Undergraduate Institutions, March 2017 to present
 - Member, Physician Assistant Program Accreditation Focus Group, October 2015
 - Member, PA Program Executive Committee, February 2011 to present
 - Member, PA Program Didactic Committee, February 2011 to present
 - Member, PA Program Clinical Committee, February 2011 to present
 - Member, School of Health Professions Education Executive Committee, July 2009 to present
 - Member, School of Health Professions Admissions Committee, February 2011 to present
 - Allied Health Research Day Student Poster Competition Judge, November 2014 to present

- Communications Liaison, School of Allied Health Sciences, February 2013 to present
- Clinical Site Visits (8-10 per year), February 2011 to present
- Interviewer, PA Program/O&P Program, Student Applicants, January 2007 to present
- Department of Pediatrics
 - Member, Department of Pediatrics Gender Equity Committee, September 2018 to present
- Texas Children's Hospital, Section of Critical Care
 - Vice-Chair, Medical Staff Committee on Diversity, Equity, and Inclusion, January 2021 to present
 - Member, Medical Staff Committee on Child Abuse and Neglect, 2018 to present
 - Member, PICU Quality and Safety Team, August 2015 to January 2016
 - Member, Open Tempo Committee, May 2014 to present
 - Member, Orientation and Education Committee, July 2009 to present
 - Member, Web Development Committee, December 2013 to 2015
 - Member, APP Student Process Committee, November 2013 to 2015
 - Member, Pulmonary Hypertension Workgroup, November 2013 to March 2014
 - Member, Critical Care Vaccine Workgroup, September 2014 to present
 - Interviewer, Critical Care Section, Faculty and Fellow Applicants, October 2007 to present

2. Institution-wide or School Administration, Committees, etc.

- Member, GSBS Post-Bacc Promotions Committee, October 2021 - present
- Member, Distance Education Workgroup, July 2021 - present
- Member, Academy of Distinguished Educators Steering Committee, July 2021-present
- Chair, Norton Rose Fulbright Review Panel, July 2021 to present
- Peer Coach, BCM Peer Coaching Program, April 2021 to present
- Lead, BCM PA Program mSSR Workgroup, January 2021 to present
- Member, SACSCOC Schools and Programs Workgroup, January 2021 to present
- Member, Norton Rose Fulbright Steering Committee, January 2021 to present
- Ex-Officio Member, Inclusion and Excellence Council, 2020-2022 (Education Subcommittee)
- Facilitator, Compassionate Conversations, 2020
- Member, Foundational Sciences Faculty Recruitment Committee, 2019-2020
- Member, Women of Excellence Review Committee, February 2020 - present
- Member, LCME Academic and Learning Environments Subcommittee, 2019 - present
- Member, BCM Alumni Executive Committee Awards Committee, July 2019 to present
- Member, BCM Alumni Executive Committee, July 2019 to present
- Faculty Senate Representative, Institutional Policy Committee, May 2019 to present
- Baylor College of Medicine Master Clinician Award Selection Committee, March 2019 to present
- Baylor College of Medicine Annual Education Showcase, Poster Judge, September 2018 to present
- Baylor College of Medicine Annual Education Showcase, Abstract Reviewer, September 2018 to present
- Faculty Senate Representative, School of Health Professions, January 2017 to present

- Chair, Faculty Affairs and Benefits Subcommittee (2021-2022)
- Member, Faculty Affairs and Benefits Subcommittee (2017-2020)
- Vice Chair, Faculty Affairs and Benefits Subcommittee (2020-2021)
- Member, Curriculum and Education Subcommittee (2017-2021)
