WELCOME TO THE 2024–2025 CASPA CYCLE

A MESSAGE FROM OUR TEAM:

The PA profession is one of the most attractive and fastest-growing careers in healthcare. For PA programs across the nation, this means navigating an increasing number of applicants each year. Since 2018, there has not only been an increased interest in the PA profession - the demand for PAs and PA salaries has also increased. The CASPA Team, in collaboration with our Liaison partners, are here to assist you on your journey to becoming a PA. Please follow our Facebook, X (formerly Twitter), and Instagram pages for tips and updates to the application throughout the cycle.

ABOUT CASPA, PAEA, AND LIAISON INTERNATIONAL

CASPA

The Centralized Application Service for Physician Assistants (CASPA) is a user-friendly, secure, internet-based application platform sponsored and administered exclusively by the PA Education Association (PAEA) and operated by PAEA's partner, Liaison International.

CASPA enables PA program applicants and authorized third parties to provide application information that can be shared by PAEA upon request with multiple PA programs to which the applicant is seeking admission. CASPA verifies academic history information entered by applicants against official transcripts and calculates applicant grade point averages (GPAs) based upon a formula established by CASPA. Applicant information in CASPA is conveniently made available to PA programs via the WebAdMIT admissions portal and is accessible to CASPA-participating PA programs. PAEA does not regulate any PA program's admissions requirements nor determine an applicant's eligibility to apply to any PA program.

PAEA

Based in Washington, DC, the PA Education Association (PAEA) is the only national organization in the U.S. representing PA educational programs. PAEA's mission is "Advancing excellence in PA education through leadership, scholarship, equity, and inclusion."

LIAISON INTERNATIONAL

Liaison International offers unmatched insight into emerging technologies and a keen understanding of how the latest innovations can be used to help clients better fulfill their core mission. To support the CASPA service, Liaison employs customer representatives, data entry professionals, and verification experts, and provides the management expertise to find, train, and motivate this pool of employees. Liaison offers a comprehensive service to several CAS (Centralized Application Service) applications and provides various services, including application tracking, document retention, verification services, applicant data warehousing, and customer service.

APPLICATION CYCLE AND DEADLINES

APPLICATION CYCLE

A CASPA cycle runs from April each year until the following April. The 2023-2024 CASPA application cycle opens on April 27, 2023, and closes on April 1, 2024. Applicants who apply during this timeline will be considered for the January - December 2024 or January 2025 entering class of PA students, unless in the case of deferrals, which are determined by each program.

APPLICATION DEADLINES

CASPA offers ten (10) deadline options for programs. Each program selects the deadline that best aligns with their individual admissions timelines and class start dates. The deadline options are listed below and are also located in the [PAEA Program Directory](#).

- June 15
- July 15
- August 1
- September 1
- October 1
- November 1
- December 1
- January 15
- March 1
- April 1

DEADLINE REQUIREMENTS

In addition to an application deadline, each PA program will select the deadline requirement that best aligns with their admissions process. The three options are listed below and can also be found in the [CASPA Help Center](#).

- **SUBMIT:** The application must be submitted by the posted deadline.
- **COMPLETE:** The application must be submitted, and payment, all transcripts, and two of the three evaluations must be received by CASPA by the posted deadline.
- **VERIFIED:** The application must be complete, and all GPA calculations must be completed by the posted deadline.

GETTING STARTED

CREATING AN ACCOUNT

THE APPLICANT PORTAL

New and returning applicants will visit the CASPA [application portal](#) to create an account or log in to an existing application. The Applicant Portal can be accessed at any time throughout the cycle. Applicants should not share their CASPA username and or password with anyone and should log out of the application after each use.

NEW USERS

New applicants must create a Username and Password to begin the CASPA application process. *If you have previously applied via the CASPA portal, you must use the same username and password.* To register for a CASPA account, you must complete all fields that are marked as required with a red asterisk (*). Once the required fields have been completed and username and password have been created, you will receive an email confirming your account creation and your CASPA ID number. Please click here for detailed instructions on how to create an account.

RE-APPLICANTS

If you have applied or created an application in the 2021-2022 cycle or later, you will have the option to carry over most of the data to your application in this cycle. Some of the previously entered information will be carried over automatically, some information will require approval to be carried over with no changes, and some information will not be carried over.

ITEMS CARRIED OVER

Your CASPA ID and name are automatically carried over. Outlined below is the information that will be carried over once they have been reviewed and approved:

- All demographic information
- Colleges and universities attended
- U.S. coursework previously verified by CASPA and the transcripts that correspond with these courses
- Experiences and achievements

*CASPA will not carry over letters of evaluation, essays, payments, and program-specific information into new cycles.

APPLICATION FEES AND PAYMENTS

APPLICATION FEES

The application fee is \$184 for the first designation and \$61 for each additional designation. Once the application has been successfully submitted, no refunds are granted for any reason. This includes the applicant failing to meet a program's minimum eligibility requirements and/or a program's deadline.

CREDIT CARD PAYMENT DISPUTES

An unauthorized credit card chargeback for the CASPA fee(s) will result in the application being placed on hold for all programs. A chargeback is the return of funds to a consumer, typically occurring after a credit card transaction is disputed with the credit card company.

If we receive notification of an unauthorized chargeback from you or your someone who made a payment on your behalf, including parents, a spouse, or a friend. If it is a credit card company, we will notify you of the chargeback and place your application on hold. To reinstate your application, you must send a money order that totals the full fee plus a \$25 bank processing charge for each incorrect chargeback within 10 business days of the notification. If payment is not received within this timeframe, any future activity will be barred until all outstanding fees are paid, including applications for future cycles.

FEE WAIVERS

Each year PAEA provides a limited number of fee waivers to applicants. The fee waiver covers the fee of the first two designations (\$245). The applicant is responsible for fees for additional program designations beyond the amount of the first designation (\$61 each). Because funds are limited, meeting eligibility criteria does not guarantee that a fee waiver will be granted. Applicants should contact [customer service](#) to inquire about availability.

To be considered for a CASPA fee waiver, in the 2024-25 CASPA application cycle, the fee waiver application must be created, completed, and submitted along with a copy of any required 2023 federal income tax returns.

Eligibility for a fee waiver requires that the applicant has an income that is 200% or less of the [U.S. Department of Health and Human Services poverty guidelines](#). If you are a dependent, CASPA requires the legal guardian's most recent federal income tax return, i.e., a 2023 federal income tax return is required for the 2024-25 fee waiver application.

The status of the fee waiver request will be sent to the e-mail address associated with the CASPA account and the application inbox. Applicants should not submit their CASPA application until they have been notified of their CASPA fee waiver application status. Fee waiver decisions are typically communicated to the applicant within 72 hours of receipt of their federal tax forms. The fee waiver application will be automatically denied if the CASPA application is submitted prior to this notification.

Once approval for a CASPA fee waiver has been received, you will have 14 calendar days to submit your application. Recipients of the fee waiver award should submit their application to two programs to ensure the full award is used. If you are awarded a fee waiver and submit your

application with one designation, you will forfeit the additional \$61. The awards cannot be used across multiple submissions, and the funds cannot be applied to the application retroactively. *If you do not submit your application within 14 days, the fee waiver will be automatically revoked, and you will not be able to reapply for a waiver in that cycle.*

CASPA PORTAL OVERVIEW

NOTIFICATIONS

As you progress through the application process, you'll receive important notifications and critical alerts. Applicants are responsible for monitoring these notifications and following up on any required actions. To view your notifications, click **View My Notifications** on the left side of the application dashboard.

APPLICATION STATUSES

You are responsible for monitoring the status of your application. Notifications are not sent for any missing items (i.e., letters of evaluation or transcripts). You may keep track of your application and all materials by clicking **Check Status** at the top of the application dashboard. It can take up to five business days from the date of receipt to post transcripts and official test scores to your application. Evaluations are immediately updated once received from your evaluator.

Your application status may be in one of the following statuses:

- **In Progress:** Your application has not yet been submitted or you haven't paid the application fee.
- **Received:** Your application has been submitted, but you are missing required documents. If you used the Professional Transcript Entry (PTE) service, remember that you must review and approve your coursework.
- **Complete:** All required materials were received and your application is in line for verification. *Note that programs may require additional materials for your application to be considered complete. Check with each program for more details. Once your application enters this status, it can take up to 10 business days to move to the Verified status.*
- **Undelivered:** This status indicates that an error was found and your application was returned to you for corrections.
- **Verified:** Your application was processed and, if applicable, your GPA was calculated and made available to your programs. You'll receive a confirmation notification that your application was verified. Once your application is verified, you should direct any questions about its status to the program(s) to which you applied.

TRANSCRIPT STATUSES

If you submit transcripts to CASPA, your transcript's status may be:

- **Not Arrived:** This status indicates that your transcript is still being processed and has not been posted to your application yet. On average, it takes up to five business days for your transcript to post to your application from the date we receive it.
- **Arrived:** This status indicates that your transcript has been processed and is now posted to your application. Your transcript will be shared with all your programs.

EVALUATION STATUSES

If you submit evaluation requests, your evaluation's status may be in one of the following statuses:

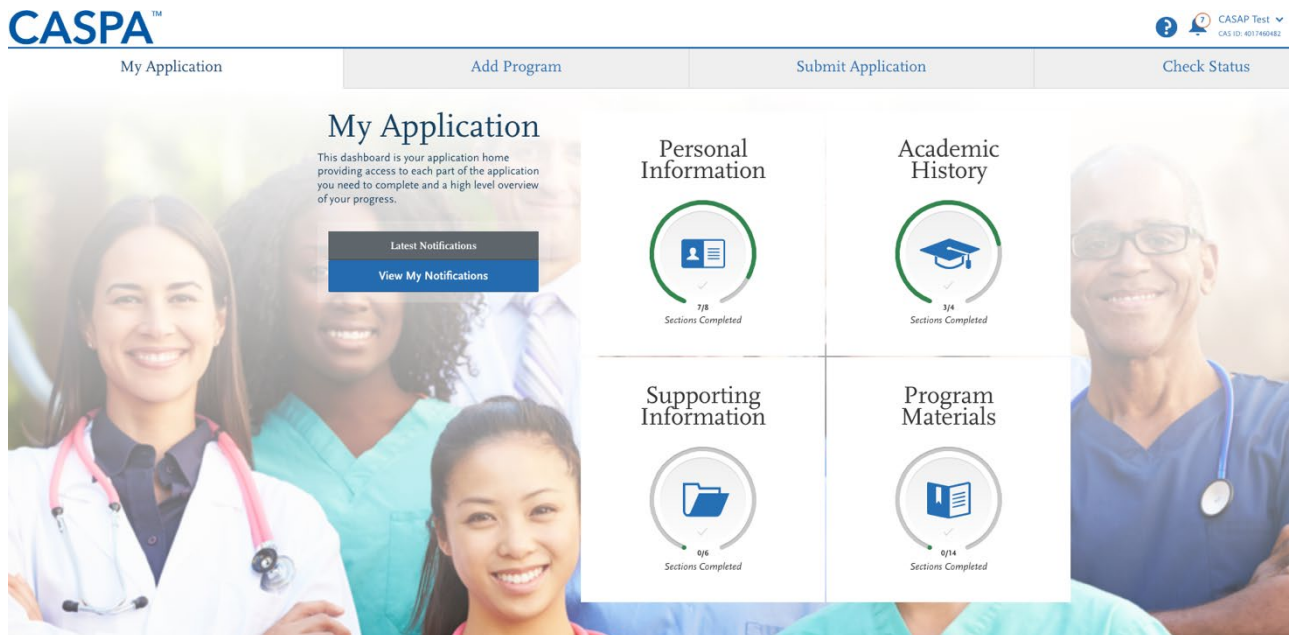

- **Requested:** This status indicates that the request was sent to the evaluator, but they have not accepted or declined it. They must accept your request before they can submit their evaluation.
- **Accepted:** This status indicates that the evaluator accepted your request but has not yet submitted their evaluation.
- **Completed:** This status indicates that the evaluator completed and submitted their evaluation, and it was sent to your program(s).
- **Declined:** This status indicates that the evaluator declined your evaluation request. You can click **Update Evaluators** to add a new evaluation request.
- **Expired:** This status only appears once the cycle closes. Evaluations can no longer be submitted. Review **CASPA Cycle Dates** to learn the final dates when you can request evaluations and your evaluators can complete evaluation requests.

APPLICATION DASHBOARD

The application is divided into four sections, with progress bars to guide you through the application. Once the information in a section is saved, you will automatically be directed to the next section.

There are four main sections of the CASPA application:

1. Personal information
2. Academic history
3. Supporting information
4. Program materials

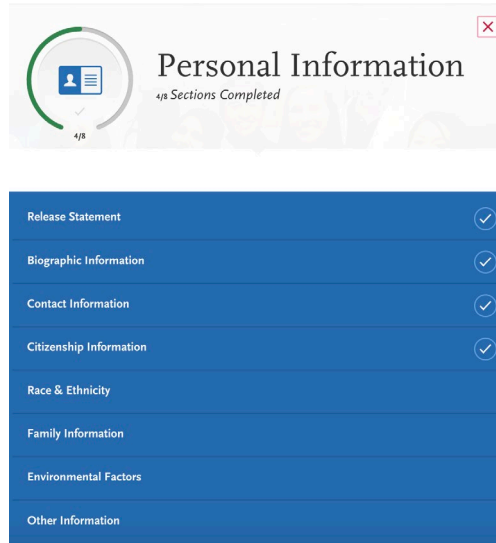

A snapshot of the application dashboard homepage

You may also access your applicant profile, the CASPA help center, apply for a fee waiver, add and remove programs, submit the application, check the status of application documents, and see notifications from Liaison, all from the dashboard.

PERSONAL INFORMATION

The questions in the Personal Information section collect basic biographic, contact, citizenship, race, ethnicity, and family information. Questions are included below.

A snapshot of the overall personal information section tabs.

After logging in to the CASPA, you must agree to the CASPA Applicant Agreement and Release to proceed with the application. You will also be given the opportunity to indicate you want to release application data to the health profession advisor as the post-secondary institutions listed in CASPA.

CASPA APPLICANT USER AGREEMENT AND RELEASE

The Centralized Application Service for Physician Assistants (“CASPA”) is a user friendly, secure, Internet-based application platform sponsored and administered exclusively by the PA Education Association (“PAEA”) that enables PA program applicants and authorized third parties to provide application information that can be shared by PAEA upon request with multiple PA programs to which the applicant is seeking admission. CASPA is operated by PAEA partner Liaison International. CASPA verifies academic history information entered by applicants against official transcripts and calculates applicant grade point averages (“GPAs”) based upon a formula established within CASPA. Applicant information in CASPA is made available to PA programs via the WebAdMIT admissions portal accessible by CASPA-participating PA programs. PAEA does not regulate any PA program’s admissions requirements or determine an applicant’s eligibility to apply to any PA program.

In order to use CASPA or submit a request for a fee waiver, applicants must read, understand and accept the terms of the CASPA Applicant User Agreement and Release (“Applicant Agreement”) as provided below. “I” “me” and “my” as used below refers to applicants to PA programs and any individual using CASPA with the intent to apply to a PA program.

I understand and agree to the following terms and conditions of using CASPA, applying to CASPA-participating PA programs, and submitting requests for fee waivers, and certify that all certifications, acknowledgments, and statements made by me below are true and correct:

1. I will act with honesty and integrity throughout the admissions process and in all interactions with PAEA, CASPA Customer Service, Liaison, and PA programs participating in CASPA.
2. I am required to maintain the confidentiality of my password and understand that I may not share the password with any person. I agree that I will not allow any person to access my CASPA account. Neither PAEA, Liaison nor the PA programs to which I may apply are liable for any unauthorized use of my CASPA account caused by the loss, disclosure or theft of my account ID or password.
3. I understand that I am permitted to create and use only one (1) CASPA account and that creating more than one CASPA account is strictly prohibited. I understand that if I have ever applied to a PA program via CASPA, applied for a PAEA Fee Waiver or previously accessed the CASPA platform, I must use the exact same CASPA account each time I interact with the CASPA platform. I understand that creating more than one CASPA account or accessing the CASPA platform in any manner other than using the one CASPA account assigned to me may result in an investigation according to the PAEA CASPA Policy Regarding Investigations and Violations and may result in the issuance of a Report to Legitimately Interested Parties. I also understand that creating or using more than one CASPA account could be grounds for terminating my access to the CASPA platform, in PAEA’s sole discretion.
4. I certify that I have read, understand, and agree to all policies that apply to CASPA and requests for fee waivers, including the PAEA Privacy Policy, the PAEA CASPA Policy Regarding Investigations and Violations, and all policies for CASPA provided on the Liaison website at https://help.liaisonedu.com/CASPA_Applicant_Help_Center, all of which are part of this Applicant Agreement.

5. I authorize PAEA to release my name, email address, street address and telephone number to PA programs designated by me BEFORE the submission of my application. This allows designated PA programs to send me information about their admissions processes prior to the submission of my application.
6. CASPA requires me and others invited and authorized by me, including but not limited to colleges, universities, education programs, professors, pre-health professions advisors, and other persons ("Authorized Information Providers") to enter and provide detailed information about me, including but not limited to, personal, academic, professional, disciplinary history, family members, character, financial, test scores, recommendations, evaluations and other types of information ("CASPA Information"), all in order to facilitate the collection, compilation and sharing of information that may be relevant to designated PA programs in making decisions about my application for admission and related matters.
7. I am exclusively responsible for the accuracy, completeness and contents of all CASPA Information and information submitted in support of fee waiver requests that I and Authorized Information Providers enter into CASPA, provide to PAEA or Liaison and/or provide to PA programs on my behalf through any means of communication.
8. I certify that all written passages within my CASPA application, including but not limited to, personal statements, essays, and descriptions of work and education activities and events, are my own work, and have not been written or modified, in whole or part, by any other person or any generative artificial intelligence platform, technology, system or process, including but not limited to Chat GPT (collectively, "Generative AI").
9. I am strictly prohibited from using Generative AI to create, write and/or modify any content, in whole or part, submitted in CASPA and/or provided to PA programs on my behalf through any means of communication.
10. PAEA and PA Programs reserve the right to use platforms, technology, systems and processes that detect content submitted in CASPA and/or provided to PA programs that was created, written and/or modified, in whole or part, through the use of Generative AI.
11. If I request that an Authorized Information Provider submit a recommendation, evaluation, or any other information in CASPA, PA programs designated by me will receive information about me from such Authorized Information Providers.
12. By using CASPA, I am waiving any right I may have to review CASPA Information entered by each Authorized Information Provider, including but not limited to recommendations and evaluations submitted by them about me. I agree that I will not attempt through any means to obtain CASPA Information submitted by Authorized Information Providers, or attempt to influence or alter any information submitted by an Authorized Information Provider.
13. PAEA may use application data I submit to CASPA and admissions decisions my designated PA programs submit to CASPA for educational research and statistical reports. The purpose of such research and reporting is to improve PA education and admissions and all results are reported in aggregate only. Application data may include, but are not limited to, summaries of applicant demographics, application and matriculation rates, and average GPAs. PAEA may also link my application data submitted in CASPA to my performance on PAEA assessments administered to me as an enrolled PA student by my PA program in furtherance of educational research conducted by PAEA and related statistical reports. Any published or publicly shared PAEA research or statistical reports based on application data will not include

any personally identifiable information or any other information that would make it possible for any individual person to be identified within the data contained in the published or publicly shared PAEA research or statistical reports.

14. PAEA is authorized to release all application information submitted in CASPA to the PA programs that I designate.
15. For each PA program that makes an offer of acceptance to me, PAEA will disclose to that program the number of acceptances I have received from other PA programs (without identifying those programs) and whether I have accepted an offer at any other PA program that participates in CASPA (without identifying the program).
16. PAEA will disclose my matriculation status to all PA programs to which I have applied to via CASPA.
17. I will monitor the progress of each application I submit to a PA program by regularly checking my email and the "Check Status" and "Notifications" sections of the application within CASPA. I understand that I am responsible and accountable for my actions and will respond to all matters related to my application.
18. PAEA may investigate discrepancies in information submitted in CASPA or as part of a fee waiver request, any information provided to PAEA that indicates that an individual may have potentially committed fraud in the process of seeking admission to a CASPA-participating PA program or potentially violated any of the terms, conditions or policies that apply to the use of CASPA. All such investigations will be conducted according to the PAEA CASPA Policy Regarding Investigations and Violations and may result in the issuance of a Report to Legitimately Interested Parties.
19. PAEA reserves the right to audit my application and fee waiver request for any purposes in addition to verification of the coursework that is listed in my application and may take any steps reasonably required to verify the authenticity of any information or documents submitted in relation to my application in CASPA.
20. I understand and acknowledge that it is solely my responsibility to understand the application, enrollment, matriculation and graduation requirements of each program to which I apply and to determine prior to submitting my application to any PA program whether I will be able to meet all requirements of the program.
21. Submitting an application to a PA program for which I do not meet all requirements will not constitute grounds for a refund of the application fee.
22. Within five (5) calendar days of enrollment at a PA program to which I have been admitted, I must notify all other designated programs for which my application is still under consideration that I no longer wish to be considered for admission to their program.
23. For each PA program to which I apply that requires me to provide criminal background history information, if I am convicted of or plead guilty or no contest to a misdemeanor or felony criminal offense after I submit my application, I will notify the program within ten (10) business days. PA programs may, in accordance with applicable state law, consider new information submitted regarding my updated criminal history, and in appropriate circumstances, reserve the right to change the status of an applicant or student. All decisions regarding actions in relation to an applicant's criminal history are within the discretion of each PA program in accordance with applicable state law.

24. For programs that are prohibited by applicable state law from inquiring about the criminal history of applicants prior to making an admission decision, I understand that such programs may still lawfully inquire about my criminal background history after granting admission. I further understand that, after matriculating in a PA program, I may be required to provide criminal background history information and/or submit to a criminal history check (a) as a condition of my participation in rotations and clinical practice experiences required for graduation from my program, and (b) as a condition of licensure as a PA under applicable state law.
25. PAEA and participating PA programs assume no responsibility for delays in processing application materials caused by the applicant's failure to follow instructions or circumstances beyond PAEA's or the participating PA programs' control. It is the applicant's responsibility to review their application portal on a regular basis and report any problems, unexpected delays or discrepancies to CASPA Customer Service immediately.
26. I recognize that PAEA does not make admission decisions for PA programs. I hereby release PAEA from any and all claims and/or damages that could result from my use of CASPA and any admission decision or action by any PA program that participates in the use of CASPA.
27. PAEA reserves the right to change the terms of the CASPA Applicant User Agreement and Release upon written notice posted within CASPA or through any other reasonable means of electronic communication or website posting, at any time. If I continue to use CASPA after PAEA has provided written notice of any such change in terms, the modified terms will apply to my use of CASPA.
28. CASPA IS PROVIDED "AS IS." PAEA MAKES NO WARRANTIES OR REPRESENTATIONS WITH REGARD TO CASPA, EXPRESS, IMPLIED OR STATUTORY, INCLUDING FOR ACCURACY, AVAILABILITY, TIMELINESS, COMPLETENESS, OR SECURITY. PAEA DISCLAIMS ANY WARRANTY OF TITLE AND ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF ANY THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS WITH REGARD TO CASPA OR USE THEREOF. PAEA SHALL NOT BE LIABLE TO ANY USER OF CASPA OR ANY THIRD-PARTY FOR LOSS OR THEFT OF DATA, DAMAGE TO DATA OR DELAYS IN DATA DELIVERY OR PROCESSING. PAEA SHALL NOT BE LIABLE FOR AND SHALL NOT DEFEND OR INDEMNIFY YOU AGAINST ANY THIRD-PARTY INFRINGEMENT CLAIM THAT RELATES TO OR IS BASED ON A COMBINATION OF COMPONENTS PROVIDED IN CASPA. IN NO EVENT SHALL PAEA BE LIABLE FOR ANY ACTUAL, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY AND WHETHER OR NOT PAEA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, ARISING IN ANY WAY OUT OF CASPA OR YOUR USE OF CASPA.

By clicking "I AGREE" below, I am indicating that I understand and agree to the CASPA Applicant User Agreement and Release, including the terms and conditions set forth in PAEA Privacy Policy, the PAEA CASPA Policy Regarding Investigations and Violations, and all policies for CASPA and fee waiver requests provided on the Liaison website at https://help.liaisonedu.com/CASPA_Applicant_Help_Center.

ADVISOR RELEASE

By selecting Yes, you authorize CASPA to release parts of your CASPA application to pre-health advisors and advisory committees at schools you previously attended. Your advisor can then better assist you throughout the admissions process. Your academic and application status information is shared; however, your personal, financial, and disciplinary information, as well as your personal statement, are not shared. Once you submit your application, you cannot edit this response.

BIOGRAPHIC INFORMATION QUESTIONS

- Name (first, middle, last, suffix)
- Alternate name (first, middle, last, preferred nickname)
- Sex (male, female)
- Gender Identity
- Gender Pronouns
- Birth information (date, country, city, state, county)

CONTACT INFORMATION QUESTIONS

- Current address (street, city, country, state, zip, valid dates)
- Permanent address (same)
- Phone
- Email

CITIZENSHIP INFORMATION QUESTIONS

- Citizenship details (citizenship status, country, dual)
- Residency information (legal state of residence, legal country, time)
- Visa information (number, type, issued by, issued city, country, valid dates, sponsor)
- DACA (Deferred Action for Childhood Arrivals)

RACE AND ETHNICITY QUESTIONS (OPTIONAL)

- Ethnicity (Hispanic/Latino origin)
- Race (American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or other Pacific Islander, or White)

OTHER INFORMATION QUESTIONS

- Language proficiency (native language, additional languages, and proficiency)
- Military status and discharge type
- Academic infractions (if yes, description, charge, dates, consequence, reflection)
- License infractions (if yes, description, charge, dates, consequence, reflection)
- Environmentally disadvantaged (HRSA questions)
- Additional questions (first heard of the profession, influential factor in applying, ever matriculated or attended a PA program, medical school including foreign or any other health profession including but not limited to D.O., dentistry, physical therapy, chiropractic, podiatry, etc.)
 - If yes is selected, the name of the institution should be included in the

Colleges Attended section, and the corresponding transcript should be provided. Failure to list any previously attended institutions may result in a violation of the CASPA Applicant User Agreement.

- COVID-19 essay question (describe how COVID-19 has impacted your pathway to becoming a PA)
- Life Experiences Essay: This essay allows applicants to Explain how your life experiences and/or perspectives could contribute to the PA profession. How can these experiences help advance the goal of having healthcare providers who reflect the population of the country?

ENVIRONMENTAL FACTORS CHILDHOOD RESIDENCY QUESTIONS:

- In what country/state/county/city did you spend the majority of your life, from birth to age 18?
- What type of geographic area were you raised in?
- Description of childhood residency.
- Do you feel that the area where you grew up was medically underserved?

FAMILY SITUATION QUESTIONS (U.S. applicants only):

- Have you or members of your immediate family ever used federal or state assistance programs?
- What was the income level of your family during the majority of your life, from birth to age 18?
- Did you have paid employment prior to age 18?
- Were you able to contribute to the overall family income?

ACADEMIC HISTORY

The Academic History section collects data on high schools and post-secondary institutions attended. The applicants are required to enter their coursework as it appears on the official transcripts from all post-secondary institutions they have attended and any self-report standardized test scores. Questions are included below.

A snapshot of the overall Academic History section tabs

HIGH SCHOOLS ATTENDED

- High school attended (name)
- City
- State
- Graduation status and date

COLLEGES ATTENDED

You are required to enter all post-secondary institutions attended in the CASPA regardless if you have taken college-level coursework while in high school, if you started at an institution and finished somewhere else or if you were dismissed from a post-secondary institution including health professions programs i.e. PA, PT, Dental, Pharmacy, MD/DO. You are required to enter the information below for each post-secondary institution attended. There is an option to indicate if multiple degrees were earned at a single institution. Failure to list any previously attended institutions may result in processing delays and may trigger PAEA to investigate the issue further.

- College or university name
- Degree information
 - Degree earned (yes, no, in progress)
 - Degree type
 - Degree earned date
 - Major
 - Minor (if applicable)
 - Term type
 - First term date
 - Last term date

TRANSCRIPT ENTRY

You are required to enter all coursework taken at all post-secondary institutions you have attended listed in the Colleges Attended section. The coursework should be entered as it appears on the official transcript from the institution. To avoid processing delays, PAEA and Liaison strongly recommend that applicants use an official copy of the transcript to enter their academic history. Unofficial transcripts and audits may differ from the official transcript. A CAS grade will be automatically calculated once this information is entered. The CAS grade is used to calculate GPAs upon verification.

- Course name
- Course title
- Subject
- Credits
- Grade

PROFESSIONAL TRANSCRIPT ENTRY SERVICE (PTE)

PAEA and Liaison provide Professional Transcript Entry Service (PTE) for those who prefer not to enter all your coursework themselves. The Professional Transcript Entry Service (PTE) specialists can enter it for you for an additional fee. This service is only available for completed coursework from accredited schools. Coursework from unlisted schools, foreign coursework, and planned/in-progress courses are ineligible for PTE and must be entered by you.

Note that the PTE specialists only enter the information listed on your official transcripts and do not correct errors for coursework you have already entered. If you entered coursework and made a mistake or did not report an institution, these errors will be communicated to you during the verification process, at which point it will be your responsibility to correct them.

FEES

Fees for PTE are as follows:

- 1-3 transcripts: \$77
- 4-6 transcripts: \$105
- 7 or more transcripts: \$150

These fees apply only to coursework entry and are in addition to regular application fees. Fee waivers and coupon codes are not available for PTE. Additionally, your PTE payment cannot be transferred to another cycle (e.g., re-applicants, applicants applying in multiple cycles, etc.).

REVIEWING AND APPROVING YOUR COURSEWORK ENTRY

You will receive a notification once your PTE is complete. You should then review the coursework entered by the PTE specialists to ensure it is accurate and approve the entry. You should also match your coursework to any required prerequisite courses in the **Program Materials** section before approving the entry.

If you find any issues with the coursework entry, email customer service to determine how to proceed. Wait for corrections to be confirmed and implemented before approving the coursework entry.

Once you approve your coursework entry (and complete all other application requirements), your application is given a Complete Date and placed in line for verification. Be sure to approve your coursework in a timely manner to avoid any delays in processing your application. If you reapply in a future cycle, your PTE coursework will only carry forward if you submit your application and approve the PTE coursework entry in the current cycle.

SENDING OFFICIAL TRANSCRIPTS

All official transcripts must be sent directly to CASPA from the registrar's office at each college or university you have attended. If transcripts are received before the CASPA application has been started, and the Colleges Attended section is complete, the date the transcript arrived is available online to the applicant on their status menu. CASPA does accept the submission of electronic transcripts from most post-secondary institutions. When using any of these services, select CASPA as the recipient. If you cannot select CASPA and instead are asked for an email address, your transcript must be sent by mail. Do not send your transcript to the CASPA customer service email address or to PAEA as they cannot be used. For detailed instructions on how to submit electronic transcripts, please visit the CASPA Help Center by clicking [here](#). If your institution does not have an electronic transcript option, transcripts must be sent to:

CASPA
PO Box 9108
Watertown, MA 02471

CASPA will accept transcripts received after the program deadline has passed and process the application. If the application was submitted by the published deadline and all transcripts, two evaluations, and the CASPA fee are received by the close of the application cycle in April the application will complete the verification process. Programs can access the date each transcript was received by CASPA and determine whether the applicant has met the program-specific transcript deadline date and is eligible for admission. CASPA does not determine eligibility.

U.S. AND CANADIAN TRANSCRIPTS

Applicants must arrange for CASPA to receive official transcripts directly from every U.S. Territory, [U.S. regionally accredited overseas institutions](#), and English-speaking Canadian post-secondary institutions attended. CASPA will consider all application files "Incomplete" until all U.S., U.S. and Canadian transcripts are received. Liaison will determine the authenticity of transcripts received before applying them to your application.

FOREIGN TRANSCRIPTS

Foreign transcripts (exceptions: English-speaking Canadian and U.S. regionally accredited overseas institutions) are not accepted by CASPA. Applicants attending a foreign institution must list their school in the Colleges Attended section but are barred from listing their individual courses in the coursework section. This work is not verified, and no GPA will be calculated for foreign transcripts. CASPA will accept evaluation reports provided by U.S. foreign transcript evaluation companies. Evaluated transcripts are not required by CASPA to verify an application. All evaluated transcripts will be shared with the programs you have applied to with the rest of your application materials.

*Please note that French-speaking Canadian institutions are considered foreign.

Listed below are the four commonly used evaluation services. Neither PAEA nor CASPA endorses these services. Please check with the PA program(s) you are applying to for more information about their policies regarding foreign coursework. CASPA will only accept WES evaluations.

<p>World Education Services, Inc. P.O. Box 5087 New York, NY 10274-5087 P: 212-966-6311 F: 212-739-6100 www.wes.org</p>	<p>Educational Credential Evaluators, Inc. P.O. ---	---	--	---

TRANSCRIPTS FOR PROFESSIONAL COURSEWORK

CASPA defines professional coursework as, "Coursework taken during military service outside of a regionally accredited institution (e.g., Community College of the Air Force, West Point), and coursework taken at a hospital or medical center." Professional coursework is not allowed to be reported in the Colleges Attended or Coursework sections of the application, nor is it calculated as part of an applicant's GPA. Programs wishing to collect documentation for this type of work should turn on the "Clinical/Professional" and "Military Papers" document upload options when configuring their program-level requirements on the CAS Configuration Portal. Applicants are instructed to upload hospital and military transcripts directly to their programs using these tools if the programs choose to make them available.

*Note that all work taken at a college or a school, even if of the technical/professional variety, for which letter grades and semester/quarter hour credits are received, will be included in CASPA GPA calculations

COURSE SUBJECTS

PAEA provides a course subject list to help CASPA verifiers categorize transcript coursework. Access the 2024-2025 Course Subject List for review.

STANDARDIZED EXAMS

GRE

If you have taken or plan to take the GRE, ETS will send the official GRE scores to CASPA. This allows official GRE scores to be viewed in the WebAdMIT system. While many higher education institutions have already established a GRE code, for the purpose of the CASPA integration, each program must have a [CASPA-specific GRE code](#).

ETS provides the GRE® Fee Reduction Program for individuals who can demonstrate financial need, for those who are unemployed and receiving unemployment compensation, and for national programs that work with underrepresented groups. A GRE Fee Reduction Voucher may be used for one GRE® General Test and/or one GRE® Subject Test. For more information, please visit the ETS website by clicking [here](#).

TOEFL

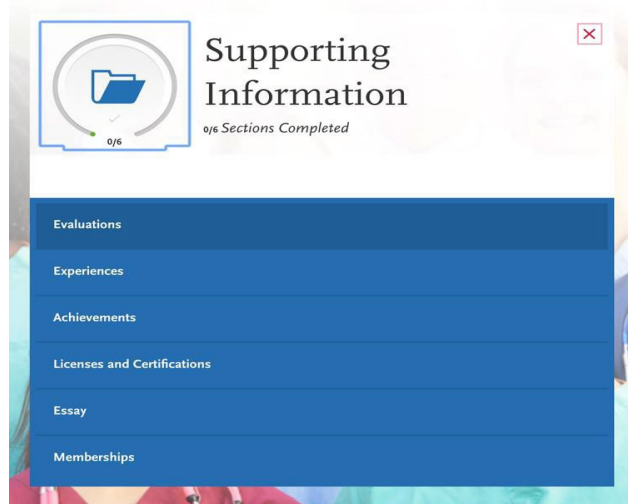

Official TOEFL score reports are accepted by ETS and uploaded directly into the CASPA for your review in the WebAdMIT admissions portal.

MCAT

MCAT scores can be sent electronically to CASPA. Please ensure you check the admissions requirements of the program where you are applying to confirm they accept MCAT scores. For detailed instructions on how to send MCAT scores to CASPA, please visit the AAMC's website.

SUPPORTING INFORMATION

The Supporting Information section collects data on experiences/achievements/certifications as evaluations and the essay. A snapshot of the overall supporting information section tabs.

EVALUATIONS

CASPA will accept up to five evaluations. Each evaluation request consists of:

- First name
- Last name
- Email
- Letter due date
- Personal message to an evaluator
- Waiver of evaluation
- Permission to contact reference (for CASPA)
- Permission for schools to contact reference

EVALUATION PROCESS

Once the evaluator's information has been entered and saved, an evaluation request is sent via email to the letter author with instructions on how to complete the request, along with a rubric. The author will find instructions on how to upload their letter and complete the evaluation rubric.

EXPERIENCES/ACHIEVEMENTS

The Experience Achievement section allows you to enter your professional experiences in several categories, or types. Please enter all relevant employment, health care, shadowing, volunteer, research, awards and corresponding license/certifications, extracurricular activities, teaching, publications, and membership data on their application. Once the application has been submitted, new experiences may be added. However, existing experiences cannot be deleted.

- Experience type (What type of experience do you want to add?)
- Organization (name, address, country, state)
- Supervisor (name title, phone, email)
- Experience dates (start date, current experience, end date, status)
- Experience details (title, type of recognition, average weekly hours, number of weeks, total hours, description/ key responsibilities, release authorization)

EXPERIENCE TYPES

NON-HEALTHCARE EMPLOYMENT

Paid work done outside of the healthcare field or research lab, for example, a retail or restaurant job.

RESEARCH

Research projects completed, preferably in addition to or outside of regular classroom work.

VOLUNTEER

Volunteer work done outside of the healthcare field; for example, working for Habitat for Humanity, tutoring students, participating in or working for a fundraiser walk or blood drive.

PATIENT CARE EXPERIENCE

Experiences in which you are directly responsible for a patient's care. For example, performing procedures, directing a course of treatment, designing a treatment regimen, actively working on patients as a nurse, paramedic, EMT, CNA, phlebotomist, physical therapist, or dental hygienist.

HEALTHCARE EXPERIENCE

Both paid and unpaid work in a health or health-related field where you are not directly responsible for a patient's care but may still have patient interaction; for example, filling prescriptions, performing clerical work, delivering patient food, cleaning patients and/or their rooms, administering food or medication, taking vitals or other record keeping information, or working as a scribe, CNA (depending on the job description), medical assistant, etc.

SHADOWING

Time spent officially following and observing a healthcare professional at work, preferably in the PA field.

LEADERSHIP EXPERIENCE

Experiences in which you held a leadership role within an organization, such as the president of a club, fraternity/sorority, etc.

EXTRACURRICULAR ACTIVITIES

Related activities you would like your selected programs to review, for example, academic clubs and competitive teams. Do not include paid work experience in this section.

TEACHING EXPERIENCE

Experiences in which you oversaw instructing others, such as a teaching assistant, tutor, etc.

ACHIEVEMENTS

- Type
- Name (name of presenting organization, issued date, brief description)

ACHIEVEMENT TYPES

AWARDS

Awards received as a prize, such as trophies and medals.

HONORS

Honors received as a special distinction for work done, including Dean's List and memberships in honor societies.

PUBLICATIONS

Any work that is publicized through media organizations, including newspapers and journals.

SCHOLARSHIPS

Scholarships earned based on academic, athletic, and other achievements.

LICENSES AND CERTIFICATIONS

- Type
- Title
- Organization name

You may enter multiple entries in each listed category. This allows applicants to enter relevant employment, shadowing, volunteer, research, awards, and license/certification data on their application.

ESSAY

Applicants must complete an essay to submit their application. The essay question allows them 5,000 characters to explain why they are interested in being a PA.

MEMBERSHIPS

- Membership type

PROGRAM MATERIALS

The Program Materials section allows PA programs to customize the application for their applicants with custom questions, documents, and prerequisite matching.

Each program is required to complete a "branding page" shown below. This page contains a program photo, description, and application information. The Program Details section is automatically populated with data CASPA receives from each program.

Home Questions Documents Prerequisites

Deadline: 07/01/2015

Our M.B.A. program prepares students for managerial positions in various types of health care organizations. This program supports the development of problem solving, decision making and conflict-resolution skills and in operationalizing the mission and goals of the healthcare delivery system.

Applicants for admission to the M.B.A. program must hold a baccalaureate degree from an accredited institution. No specific undergraduate course of study is required for admission. All applications for admission are considered on the basis of their own merits, with weight given to the strength of a student's previous academic performance, scores obtained on standardized tests, and experiences indicating increasing levels of responsibility.

Early Decision begins April 1, 2015. Applications *must* be received by July 1, 2015. Decisions will be communicated by July 15, 2015.

Program Details

App Type: All applicants	Concentration: N/A	Deadline: 2015-07-01
Delivery: Regular	Department: School of Management	Level: MBA
Start Term: Fall	Start Year: 2015	Track: Health Service Management

CUSTOM QUESTIONS

Programs may elect to use custom questions. These questions can be required or optional, drop-down, either/or, multi-option, short answer, or narrative questions. Any question that is required must be completed by applicants to submit the application to your program.

This section can include supplemental questions or additional essays.

Sample questions may include:

1. Please explain your interest in our PA program related to our program's mission.
2. What personal characteristics and skills make you well-suited for our program?
3. Address any academic deficiencies on your application. Discuss your ability to be successful despite these deficiencies.

DOCUMENTS

PA programs may elect to request or require additional documents as supplements to the application. Programs may require four pre-populated documents and one "other" option. Documents are accepted in .doc, .docx, .rtf, .pdf, and .txt formats with a size limit of 5MB.

Listed below are some of the documents that may be required or recommended:

- Clinical/Professional
- Course catalog descriptions
- CV/resume
- License
- Military documents
- Other (defined by the program)
- Publications
- Shadowing/healthcare hour logs
- Fee Waiver Award email/Notice

PREREQUISITES

Each PA program may elect to turn on the prerequisites section which will list their prerequisite courses. Please match the best-fit courses from the transcript entry section of the application to the listed prerequisites. It is important to note that this information is not verified by CASPA, but programs are able to determine whether the matched courses meet your prerequisite requirements.

** In-progress courses may be selected to fulfill one prerequisite course or the default "I do not have a course to fulfill this prerequisite" option to complete this section.*

VERIFICATION & GRADING

Verification is the process used to ensure that all coursework was entered correctly and consistently. Since credit values, grade values, and course subjects vary widely from school to school, the verification process standardizes all coursework so programs can accurately compare applicants. This standardization is achieved by using applicant coursework to create a standard set of GPAs, ensuring that they are compared to other applicants fairly and equally.

During the verification process, the verification team conducts a course-by-course evaluation of the academic record and calculates the various GPAs. Due to the variety of grade scales across the country, CASPA utilizes a universal grade value (e.g., B+ = 3.3). Once verification is completed, the application status will move from Completed to Verified. If significant mistakes are found in the applicant's coursework during the verification process, their application will be returned to them for corrections.

**It is not uncommon for the CASPA GPA to differ from the GPA that is calculated by an institution.*

Once the academic record is verified, the entire application and supporting documents are available to the applicants' designated program(s).

VERIFICATION

Verification refers to the matching of courses on the official transcripts with completed courses listed in the Transcript Entry section of the application. CASPA performs course-by-course verification once the application is considered "complete" and processes based on the order received per the date the application becomes complete. The CASPA verification staff ensures that applicant-reported coursework matches the course history on the corresponding U.S. transcript. CASPA does not verify foreign courses or transcripts, professional coursework, or planned/in-progress coursework.

The verification process may take up to four weeks from the date the application reaches the completion status. PAEA and Liaison encourage applicants to submit the application at least four weeks in advance of the earliest deadline of the programs to which they are applying.

NO TRANSCRIPT AVAILABLE

CASPA does not waive transcript requirements due to an applicant's financial obligations to a college or university. Applicants who are unable to obtain an official transcript from a college or university due to financial or other school-imposed holds cannot apply until their situation has been settled with their individual school.

For transcripts that are unavailable due to extenuating circumstances, such as school closings or transcript loss by the responsible institution, the institution or state department of education must submit a signed letter of explanation on official letterhead stating that transcripts or records do not exist for the applicant. This must be submitted directly to CASPA customer service, and CASPA will evaluate these letters on a case-by-case basis.

COURSE-BY-COURSE TRANSCRIPT VERIFICATION

The verification staff checks that the applicant properly entered all coursework on every transcript, including:

- Institution
- Course title, course prefix, and number (e.g., CHEM 101)
- Term
- Year
- Course subject
- Grade: CASPA will not edit this field. If the applicant made an error on the number of credits, CASPA will make the correction in the Verified Grade field.
- Credits: CASPA will not edit this field. If the applicant made an error on the number of credits, CASPA will make the correction in the Verified Credits field. Note: If the applicant failed or repeated a course, CASPA will enter the credits attempted in the credits field, even if the course was repeated later for a higher grade. Credits are excluded only if the credits attempted, not earned, on the transcript, or the application are shown as blank, or zero (0).

VERIFICATION OF COURSEWORK

- CASPA Verified Grade - Indicates any changes to the applicant-reported grade. If staff makes no changes to the applicant's original grade, this field is blank.
- CASPA Verified Credits - Indicates any changes to the applicant-reported credits. If staff make no changes to the applicant's original credits, this field is blank.
- CASPA (Converted) Grade - Reflects the applicant's attempt to convert a numeric grade to a CASPA letter grade. If the applicant makes an error in the original grade, staff will overwrite the applicant's entry. If the error is made to the converted grade, the correction will appear under CASPA Verified Grade. Liaison will attempt to create an automatic conversion for as many standardized grading schemes as possible.

DISCREPANCIES

If CASPA cannot match coursework from a transcript to the application, CASPA may have received an incomplete transcript, or the applicant failed to enter all coursework in the application. CASPA will return the application and allow the applicant to rectify any errors.

Once the application has been returned, it is the applicant's responsibility to make corrections and resubmit their application to CASPA.

CONVERTING QUARTERS TO SEMESTERS

The CASPA system will automatically convert quarter hours to semester hours (quarter hour x .667) if quarters are reported on the transcript.

*The conversion of quarter hours to semester hours occurs only in the GPA section of the application. Conversion is not done on the Coursework section of the application.

AUTOMATIC GRADE CONVERSION

The CASPA central processing software automatically converts the following Applicant-Reported Grades to the CASPA (converted) Grade.

Grade on Transcript	CASPA Letter Grade	CASPA Numeric Value
A+	A	4.0
A	A	4.0
A-	A-	3.7
AB	AB	3.5
B+	B+	3.3
B	B	3
B-	B-	2.7
BC	BC	2.5
C+	C+	2.3
C	C	2
C-	C-	1.7
CD	CD	1.5
D+	D+	1.3
D	D	1
D-	D-	0.7
E	F	0
F	F	0
WF	F	0

CONVERTING NUMERIC GRADES

For U.S. institutions using a numeric grading system, CASPA uses the following scale to convert numeric grades on a transcript to equivalent CASPA grades. For Canadian institutions using a numeric grading system, CASPA uses the scale on the back of the individual institution's transcript. For more detailed information about grade conversion and weight, please click [here](#).

TRANSCRIPT VERIFICATION

Most U.S., U.S. colleges and universities evaluate students' work with a numeric (e.g., 4.0) or alpha grade (e.g., B+). Some colleges and universities may evaluate students with a "narrative evaluation" instead. Courses that are evaluated narratively will receive a GPA of 0.00. The programs you have applied to will have a copy of your narrative evaluation.

DEGREE VERIFICATION

CASPA verifies U.S. and U.S. territories degrees reported as awarded in the Colleges Attended section of the application and may also appear on the official transcripts for bachelor's degrees and above.

GRADE POINT AVERAGES

GPA CALCULATIONS

CASPA calculates a standardized GPA to help participating PA programs evaluate applicants using uniform and consistent criteria. The CASPA GPAs are automatically generated by the system and are likely to be different from those calculated by the colleges and universities attended due to the CASPA grade standardization process. In this process, the CASPA grade is assigned a numeric value to calculate the CASPA GPA. Participating programs may choose to use the CASPA GPAs or re-calculate GPAs for their own use.

Any work taken at a master's or doctoral degree level will be labeled as Graduate and will factor into a Graduate GPA. Professional and foreign coursework is excluded from the overall GPA calculation.

CUMULATIVE UNDERGRADUATE

CASPA will calculate cumulative undergraduate GPA that includes all undergraduate and post-baccalaureate courses taken, both science and non-science.

OVERALL GPA

CASPA will calculate an overall GPA that includes all undergraduate, post-baccalaureate, and graduate courses taken, both science and non-science.

NON-SCIENCE GPA

The non-science GPA includes all courses with subject codes of math, English, behavioral science, and other non-science.

SCIENCE GPA

The Science GPA includes all courses with subject codes of Biology/Zoology, Chemistry (Inorganic, Organic, and Biochemistry), Physics, and other sciences.

BCP GPA

The BCP GPA includes all courses taken in the categories of Biology, Chemistry, and Physics. This will exclude Other Science to reflect a more accurate GPA for prerequisite courses at a glance.

GPA SYSTEM RULES

The CASPA central database automatically performs the following steps when calculating CASPA GPAs. CASPA verifiers do not manually perform these steps:

Multiply the grade value of the course by the semester hours for that course. The product of this multiplication will be the quality points. Divide the cumulative quality points by the cumulative attempted hours.

Example:

Course	Transcript Grade	Transcript Credits Attempted	CASPA (Converted) Letter Grade	Calculation	Quality Points
MATH1100	4.0	3	A	= 4 X 3	12
ENGL1310	3.0	3	B	= 3 X 3	9
GEOL1610	2.0	4	C	= 2 X 4	8
PHED1000	1.0	3	D	= 1 X 3	3
PSCI1040	0.0	3	F	= 0 X 3	0
TOTAL		16			32

GPA Calculation → 32 (quality points) ÷ by 16 (credit hours attempted) = 2.00 (GPA)

REPEATED COURSEWORK

Applicants are required to enter all course grades and hours for courses taken, even if the course was repeated. When entering repeated course work, applicants should identify these courses as repeated under "course type." Applicants must enter coursework as shown on transcripts. CASPA will calculate GPAs based on credits reported on official transcripts. CASPA does not recognize freshmen forgiveness or academic renewal.

CRIMINAL HISTORY

FELONY AND MISDEMEANOR CONVICTIONS

Where applicable by state law, many PA programs may ask if you have ever been convicted of a misdemeanor or felony. Note that most programs require satisfactory background check results as a condition of acceptance. Failure to disclose and provide accurate information about prior convictions may have serious consequences, such as annulment of acceptance offers, program dismissal, or other sanctions. Background checks reflect all prior convictions, guilty pleas, city ordinance citations (such as public intoxication), illegal possession(s) including possession of alcohol under the legal age, payments of fines (including traffic violations), and, in some cases, prior records thought to have been expunged. Note that in some states, common traffic violations may be considered misdemeanors. Candidates with criminal records due to felony offenses are encouraged to be aware of the potential impact of program acceptance and future licensure. PAEA encourages you to contact the programs you wish to apply to as well as state and national licensing agencies where you hope to practice for advice if you have a felony conviction or a criminal record. Answering “Yes” to these questions will not automatically disqualify you from admission to a PA program.

BACKGROUND CHECKS

Many PA programs will procure a national background check on you after you receive an initial conditional acceptance to at least one PA program. There are several reasons for performing criminal background checks on accepted PA applicants including (1) the need to enhance the safety and well-being of patients and, in so doing, to bolster the public’s continuing trust in the PA profession and (2) to ascertain the ability of accepted applicants eventually to become Certified Physicians Assistants. In support of this recommendation, PAEA has partnered with a Criminal Background Check Service, through which Certiphi Screening, Inc. (a Vertical Screen company) procures a national background report for applicants at the point of acceptance into one or more programs. Participating PA programs may require you to undergo a separate national background check if their institutional regulations or applicable state law requires it. PA programs not participating in the background check service used by the CASPA program may also require you to undergo a separate national background check process.

COMPONENTS OF THE CENTRALIZED BACKGROUND CHECK

- Social Security Number Validation and Verification
- County Criminal Records Search
- Statewide Criminal Records Search (where available)
- Federal Criminal Records Search
- National Criminal Database Search
- National Sex Offender Registration Search
- Office of Inspector General / Systems for Awards Management Excluded Parties List Search
- Sanctions Screen

ENSURING INTEGRITY

PAEA CASPA POLICY REGARDING INVESTIGATIONS AND VIOLATIONS

The PA Education Association (PAEA) is committed to ensuring the integrity and validity of the information submitted in the Centralized Application Service for Physician Assistants (CASPA) and the processes leading up to and including enrollment in a PA program. PAEA is committed to holding individuals using CASPA to the highest standards of ethical conduct in relation to these processes. The PAEA CASPA Policy Regarding Investigations and Violations applies to the investigation of potential violations of the terms, conditions, and policies that apply to the use of CASPA occurring at any time during the processes leading up to enrollment in a PA program and the fee waiver application process.

PAEA requires applicants to present accurate and current information at the time application materials are submitted in CASPA and during all phases of the admission process for entry into a PA program. It is the policy of PAEA to investigate discrepancies in information submitted in CASPA, attempts to subvert the admission process, potential fraud, and any other irregular matters which occurs in connection with the use of CASPA and the processes leading up to and including enrollment in a PA program and the fee waiver application process.

REPORTS OF POTENTIAL VIOLATIONS AND INITIATION OF INVESTIGATIONS

PAEA may, in its sole discretion, initiate an investigation when it becomes aware of discrepancies in information submitted in CASPA or receives any information indicating that an individual may have potentially committed fraud in the process of seeking admission to a CASPA-participating PA program or potentially violated any of the terms, conditions, or policies that apply to the use of CASPA. CASPA utilizes systems that detect potential discrepancies in information submitted by applicants and receives notification of potential violations from CASPA stakeholders, including but not limited to representatives of CASPA-participating PA programs.

If a PA program has reason to believe that an applicant may have potentially committed fraud in the process of seeking admission to any CASPA-participating PA program or potentially violated any of the terms, conditions, or policies that apply to the use of CASPA, a designated representative of the program should promptly send a written report of the potential violation to PAEA via email that includes all of the details of the matter to CASPA@PAEAonline.org. When submitting the report of any potential violation, PA programs must include all relevant facts, dates, events, information, and documentation that relate to the potential violation. PA programs must report any potential violation to PAEA in writing as required in this policy within thirty (30) days of becoming aware of it.

PAEA reserves the right in its sole discretion not to initiate an investigation for a potential violation where a PA program's report of the potential violation occurred more than thirty (30) calendar days after it became aware of the potential violation. PAEA also reserves the right in its sole discretion not to investigate any potential violation that occurred more than one calendar year prior to the date of the report made to PAEA, regardless of when a PA program may have become aware of the potential violation.

INVESTIGATION OF POTENTIAL VIOLATIONS

Once an investigation is initiated, PAEA reviews the potential violation and determines in its sole discretion whether it is more likely than not that a violation has occurred, based on information submitted by the subject of the investigation; PAEA current and historical records; information provided by external parties; the terms, conditions, and policies that govern the use of CASPA; and any other available relevant information.

COMMUNICATION WITH THE SUBJECT OF AN INVESTIGATION

Once PAEA determines that it is more likely than not that a violation has occurred, PAEA will contact the subject of an investigation in order to:

- Notify the subject that an investigation has been initiated
- Provide the subject with a summary of the matter being investigated
- Inform the subject of the terms, conditions, policies, and procedures related to the investigation
- Provide the subject with an opportunity to respond

Based upon the subject's response, or failure to respond, PAEA will either develop a draft of the report to be issued to Legitimately Interested Parties, as defined below, or terminate the investigation in the event that the subject is able to provide evidence that no violation has occurred. If PAEA proceeds with the development of a draft report, this report will be sent to the subject in order to provide the subject with an opportunity to advise PAEA of any purported inaccuracies contained in the draft report. If the subject identifies purported inaccuracies in the draft report, PAEA will endeavor to resolve any disagreements it may have with the subject's view of the evidence and facts. PAEA may also decide to simply include the subject's objections to the report in the final version of the report if PAEA and the subject are unable to resolve their differences regarding the content of the report. If the subject does not advise PAEA of any inaccuracies in the draft report within the prescribed time period, PAEA will modify the report to indicate that the subject did not raise any objections to the report after being given an opportunity to do so, and PAEA will then finalize the report in order to provide it to Legitimately Interested Parties. PAEA has the ultimate sole discretion to determine the findings of fact and content included in a report in its final form.

PAEA prepares and issues a report documenting the factual findings of the investigation and may include information provided by the subject of the investigation in accordance with the procedures outlined above. With the issuance of a report, PAEA makes no judgment as to the culpability of any person with respect to matters reported and does not assess the suitability of an individual to study or practice as a PA. Rather, PAEA strives to communicate complete and accurate information to Legitimately Interested Parties. Evaluation of the accuracy of the information in the report is the responsibility of the recipient of the report.

In addition to the issuance of a report, PAEA reserves the right to take all other lawful action warranted under the circumstances in relation to the subject of an investigation, in PAEA's sole discretion, if PAEA determines that the subject violated the terms, conditions, and policies that govern the use of CASPA, or any applicable law or regulation.

LEGITIMATELY INTERESTED PARTIES

Legitimately Interested Parties include all PA programs to which an individual has applied or matriculated during the current cycle and PA programs to which the individual applies or matriculates in the future, as well as duly constituted licensure and regulatory agencies and health professions educational institutions that make an official request to PAEA for a report. If, at the time of the investigation, the individual is enrolled in a CASPA-participating PA program, the report in final form will be forwarded to the current institution of attendance and will be distributed in response to any future application or matriculation activity. The report in final form will also be issued in response to an application or matriculation at such Legitimately Interested Parties of which PAEA has knowledge. Reports may contain information relevant to academic or disciplinary proceedings, criminal investigations, and decisions relevant to entry into PA programs and professional licensure.

ARBITRATION FOR DISPUTES

Should an individual conclude that a draft report unfairly characterizes the evidence and findings of fact related to an investigation, or an agreement between parties on the content and language of the report cannot be reached, PAEA will offer the individual who is the subject of the report an opportunity to request arbitration. Such arbitration must be requested prior to the issuance of a final report. Arbitration is conducted by a single arbitrator appointed by the Washington, D.C., office of JAMS. The arbitrator acts solely on the basis of a written record submitted by both parties, and no hearing or oral arguments are held. The sole issue for arbitration shall be whether PAEA acted reasonably and in good faith in preparing the report.

The arbitrator will have final authority to conclude whether: (1) the report should be distributed as written; (2) the report should be modified in accordance with the arbitrator's directions before distribution; or (3) no report should be distributed. In addition, the arbitrator determines which party is responsible for JAMS' case management fees and the arbitrator's fee. All other costs associated with arbitration (for example, attorneys' fees) are borne by the party incurring them.
