## HOSPITAL APPOINTMENTS

### Beaumont Royal Oak: Physician Assistant – Emergency Medicine and Vascular Access

ROYAL OAK, MICHIGAN – JUNE 2018 – FEBRUARY 2023

**Proficient in:** Insertion of nasogastric and orogastric tubes, arterial blood draws, lumbar puncture, aseptic and isolation techniques, placement of catheters, wound care and dressing changes, slit lamp examination of eyes using fluorescein staining, incision and drainage, casting, splinting, removal of ocular foreign bodies, insertion of central lines, closure of wounds via suture, staples, and dermabond.

**Experience in:** Focused assessment with sonography in trauma, arterial line placement, thoracentesis, paracentesis, endotracheal intubation, and bronchoscopy.

**Vascular Access:** Experience with insertion of PICC lines, midlines, and peripheral intravenous lines using ultrasound imaging techniques. Frequent involvement in novel vascular access device insertion, clinical trial data collection, as well as inclusion and exclusion criteria based on study parameters.

### Beaumont Health: Physician Assistant – Advanced Practice Provider Medication Assisted Treatment Team Medical Director

ROYAL OAK, MICHIGAN – MARCH 2020 – FEBRUARY 2023

Worked with a multifaceted group to develop a team for the treatment and management of patients with opioid use disorder in the Emergency Department. Personal responsibilities included the creation of a treatment algorithm, medication order set, and providing education to the Resident and Advanced Practice Provider staff in the Emergency Department on the initiation of medication assisted treatment therapies in the Emergency Department setting. Additionally, provided consultation to outside hospitals on the development of medication assisted treatment teams and data management.
